PASSPORT TO ALVIN HIGH SCHOOL

DESTINATION: A.H.S.
804 S. JOHNSON
ALVIN, TEXAS 77511
FLIGHT: VOLUME 54
CONDUCTED BY:
THE 1980 YELLOWJACKET STAFF

Touring the "Big A" is a real adventure because of the vast size of the campus. This large area has produced a wide variety of people and attractions. All about A.H.S. you can discover both traces of old relics (some teachers being excellent examples) and objects today's world has to offer (initiation-style "fashion" hair-do's, for instance). Go from sidewalks you practically have to climb up to, to low, flat, rain-soaked ground you can't get out of. Wander to class under "covered" sidewalks, but beware of those huge drops just waiting to jump on your nose and run down your shirt. After exploring these awesome wonders of "campus primeval" enter the classroom buildings themselves where you are sure to find students racing to class to save their exemption! The calm classrooms in which lectures are absorbed are perfect for sleeping and talking. In this balmy country you are likely to meet your first urbanized cowboy or disco duck. The campus' finest music is found in the band & choir hall, and the campus' best spirits are found in Memorial stadium, Gym 3, or everybody's favorite "pick-em-up" truck on Friday nights. For the visitor who enjoys sports, A.H.S. offers football (don't let the fight die, fellas!), volleyball, basketball, tennis, and swimming, just to name a few. All different people, activities, and places to enjoy are right here in Alvin. Want a varied education?? YOU CAN HAVE IT AT THE "BIG A" - ALVIN HIGH SCHOOL!!!

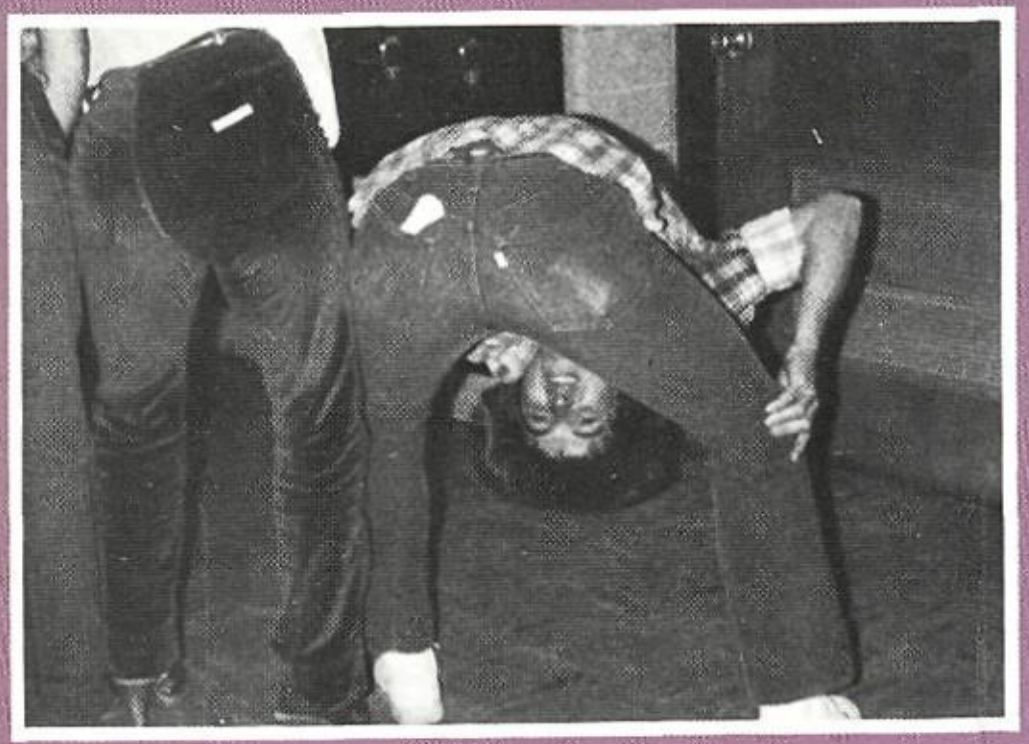
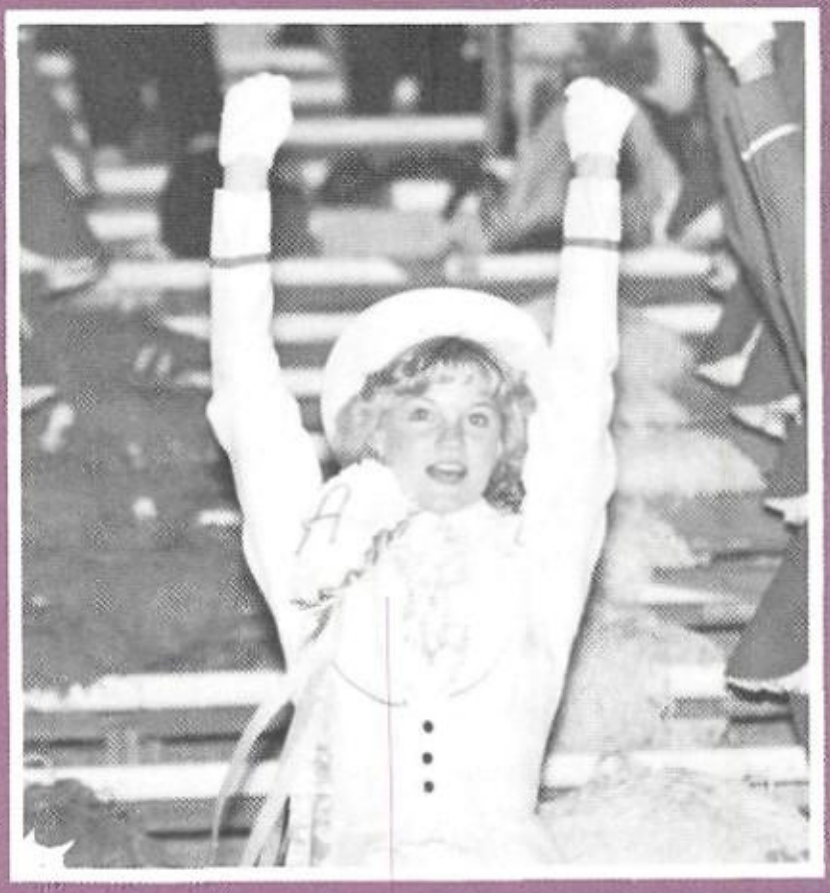
NOW, HERE'S WHAT TO BRING . . .

Lesa Landsman shows the importance of an enthusiastic smile.



Jack Sullivan wonders what else he needs . . .

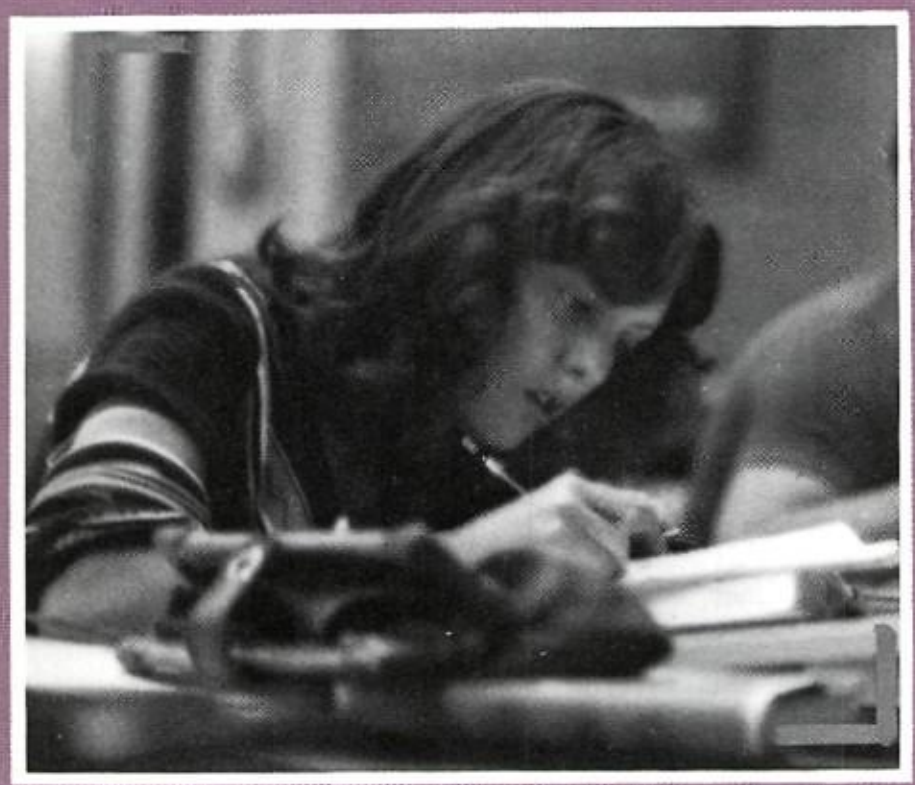
And of course, muscles & diligence are always in demand.



. . . And everyone should have spirit like Kim Adams.

While signature jeans became popular.

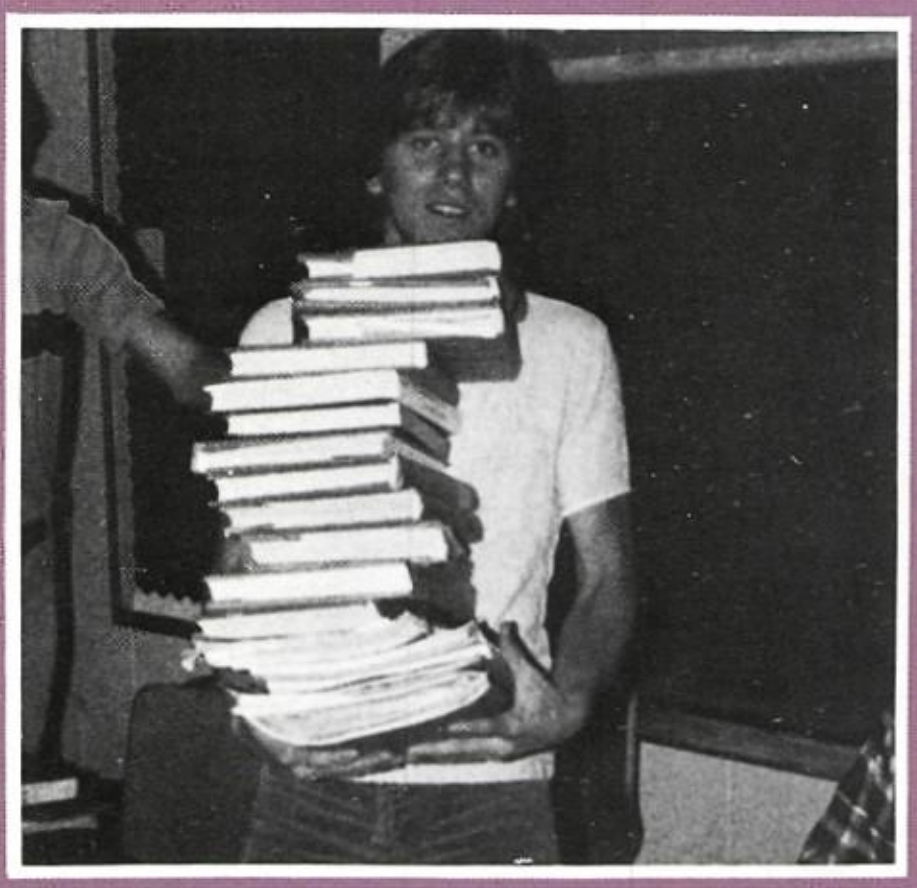
And of course, we all tie together, no matter what shoes we wear.



And Karen Crawford shows the importance of studying.

Finally, these ape socks are great to monkey around in!

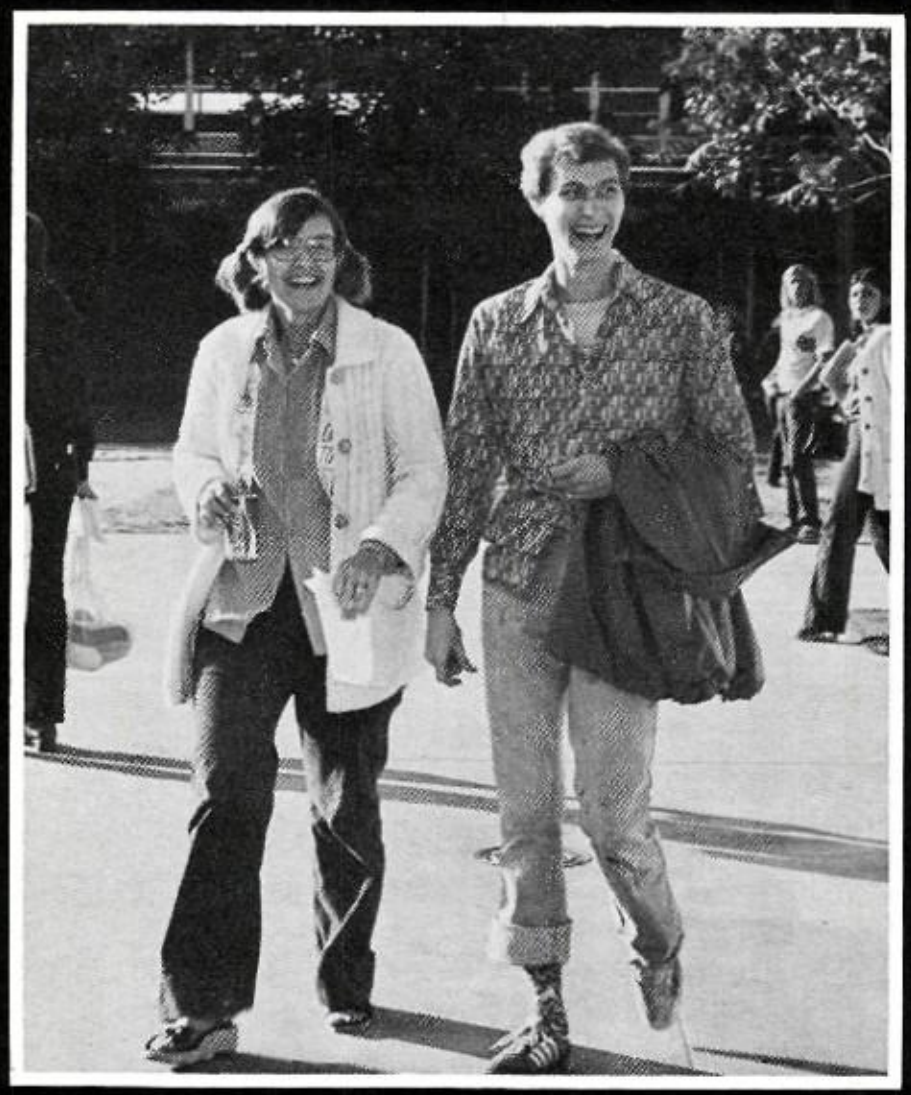
Neat lockers like this are simply a must!



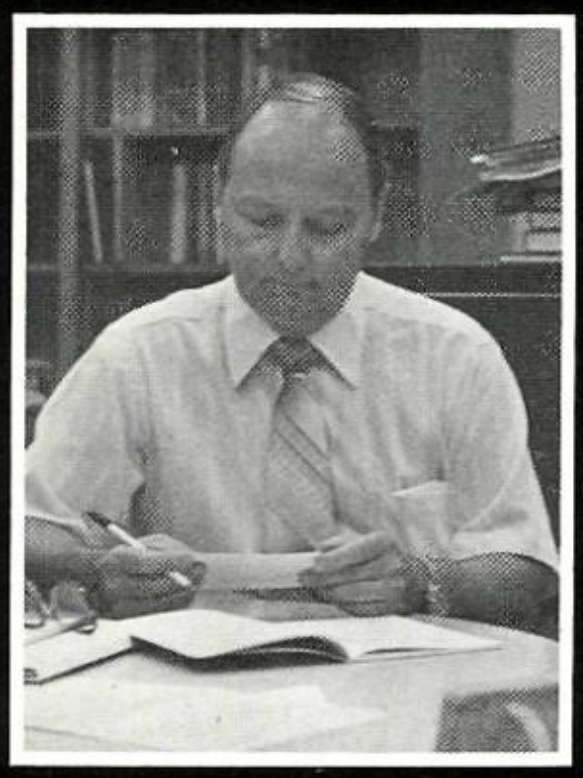
Homework is needed to keep Barry Smith off the streets . . .

THE PEOPLE WE KNOW . . .

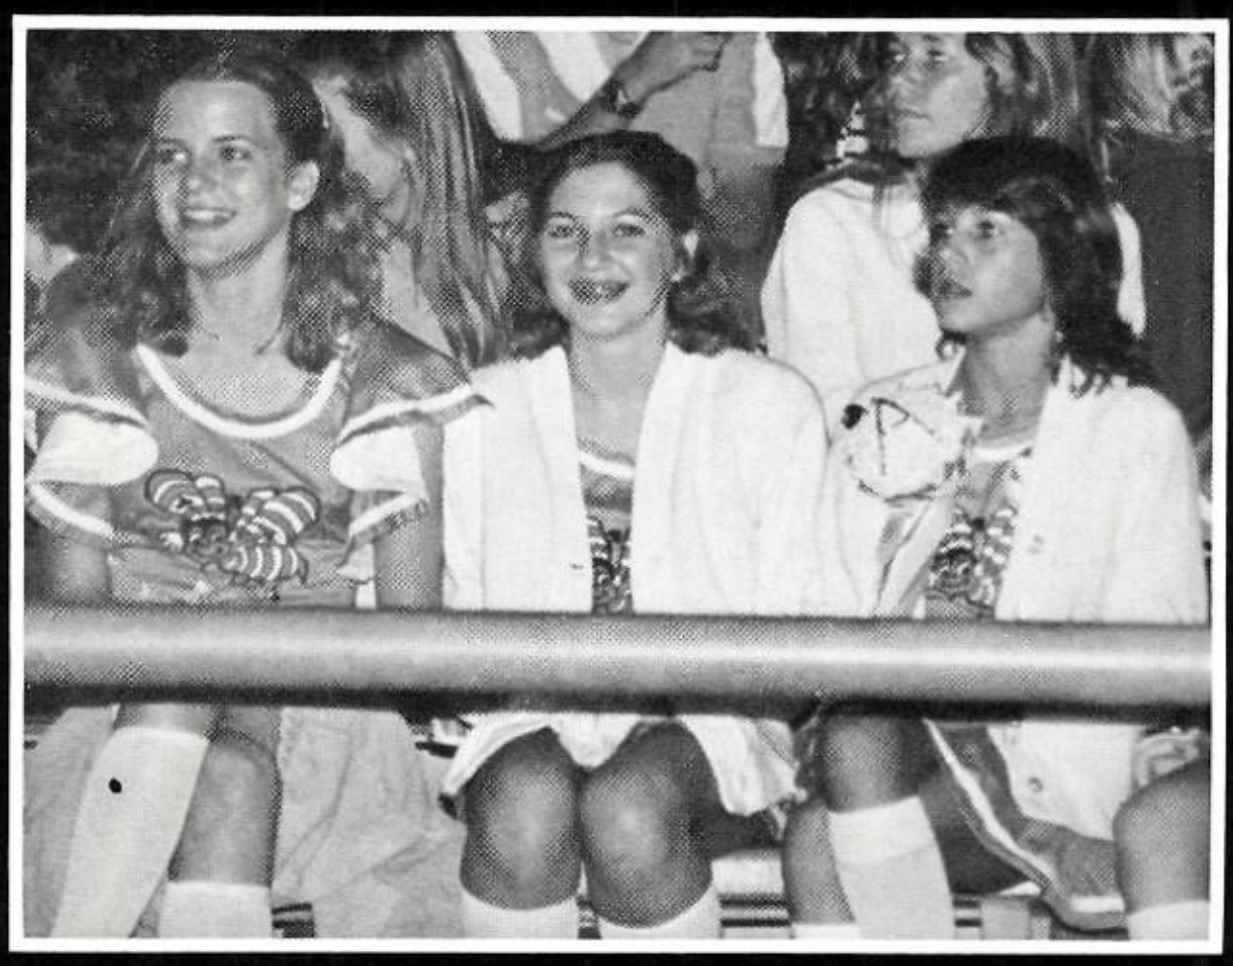
Probably the best thing going for A.H.S. is the great variety of people we have. Cheerleaders and "jocks", "brains" and "kickers"- well it's pretty safe to say we have them all. Our people are the very essence of school life - they provide both the competition and the comradeship necessary to keep everybody going. So look around A.H.S. - Remember, our people make our campus better!



And some of our people wear *weird* clothes!



Some of us are *hard* workers! Mr. Settle.

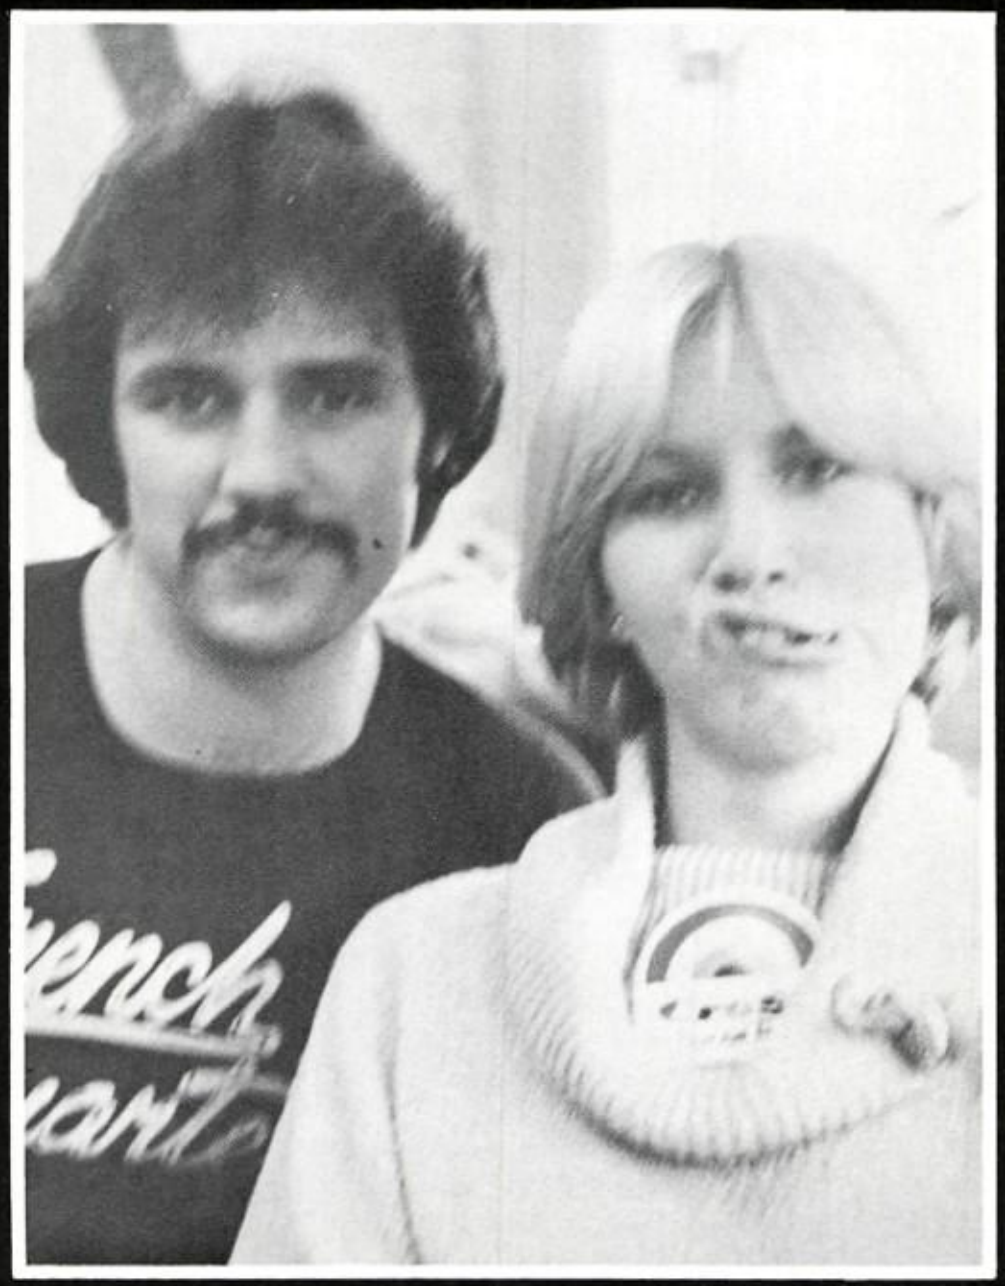


Some J.V. cheerleaders concentrate on the game, while some have their eyes on things like, well, . . . camaras! Beth Montgomery.

THEY'RE OUR BEST RESOURCES!

Jack Sullivan and Cathy Collier demonstrate the friendly affections often found at A.H.S.

And our school sponsors put up with anything from pigtails to bow - ties! Ms. Green & Patti McKee.

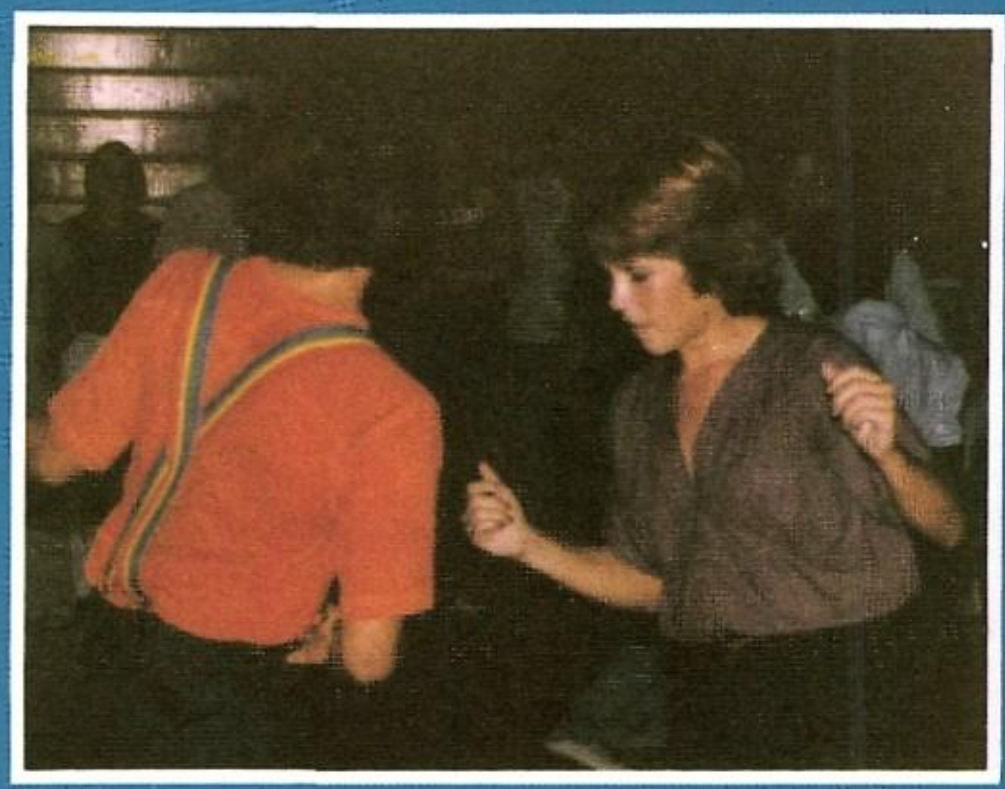


There's always a variety of smiles . . . Scott Follmar and Allison Beasley.

. . . And some not so humorous faces. Laura Rossi.

THESE ARE

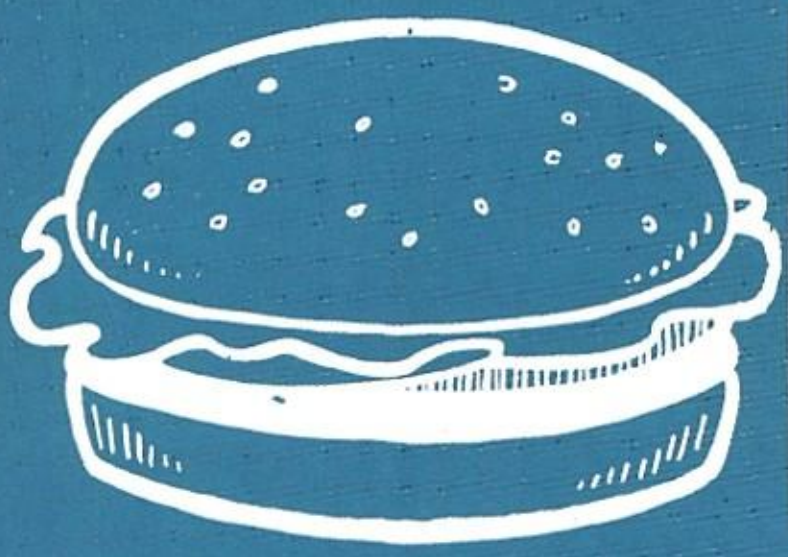
Here is the mark of our school.



School dances are a great place to go.

This is the "sign of the times" this year.

And this is where



Of course, many students will always have fond recollections of this.

THE PLACES WE GO

A new bank was added to Alvin this year.

we eat.

. . . While this faithful friend shows what A.H.S. likes to drink while we travel.

And now here's a scene from metropolitan Alvin.

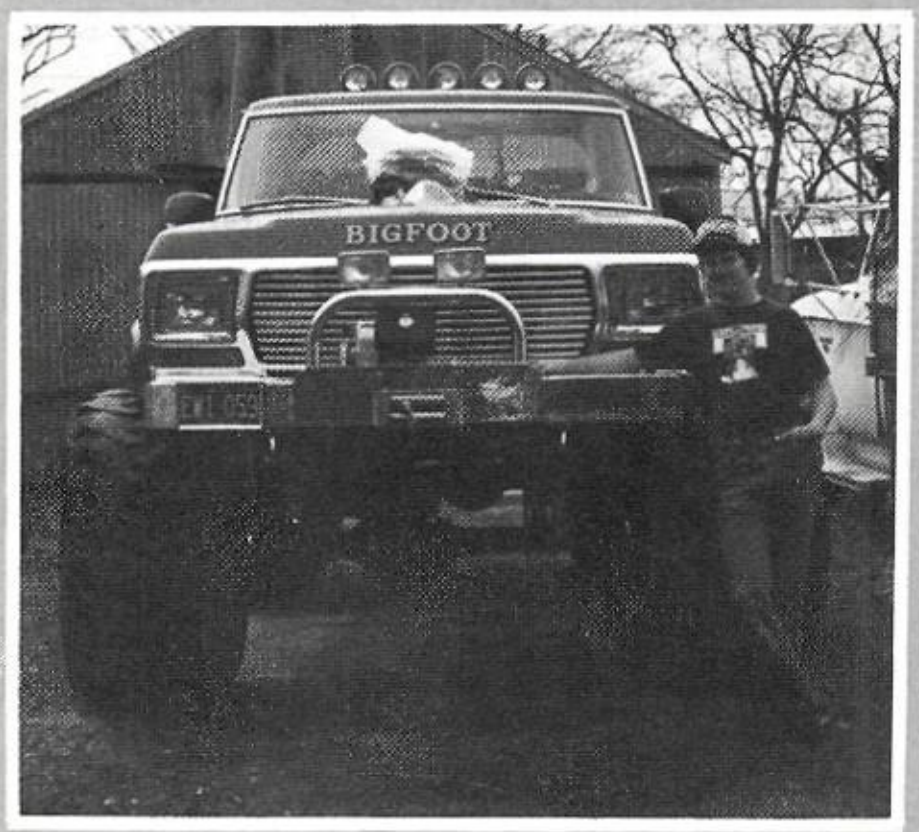
HOW WE GET THERE . . .

You get great gas mileage with this package . . .

This one's great for browsing through Alvin when it floods . . .

Cruising became a very popular "sport" this year, even with the gas pumps registering prices over the one - dollar mark. Whether we drove a brand - new Z 28 or a "59 Dodge, we all had our own spot on Gordon street to go to. This year the moped became a hit, and the ever - faithful bicycle and rollerskates made a startling new comeback. So, jump in or hop on your favorite kind of wheels, and travel into the '80's at A.H.S.!

Mike Kuykendall tells of the pleasures of driving rough and tough.



"But where do we go from here?" Randy Free, Susan Goodrum, and Nancy Gerlovich.

And don't forget the ever - faithful, always - late schoolbus!

WE ALL "CRUISE" IN DIFFERENT WAYS!

Every High School student keeps this model in mind . . .

Some cars get re-molded . . ., Susan Goodrum, Cathy Collier, and Nancy Gerlovich.

Kathy Perkins drives this kind of car. Don't you wish you did?

. . . For those who flunk driver's ed . . .

Along with construction comes this!

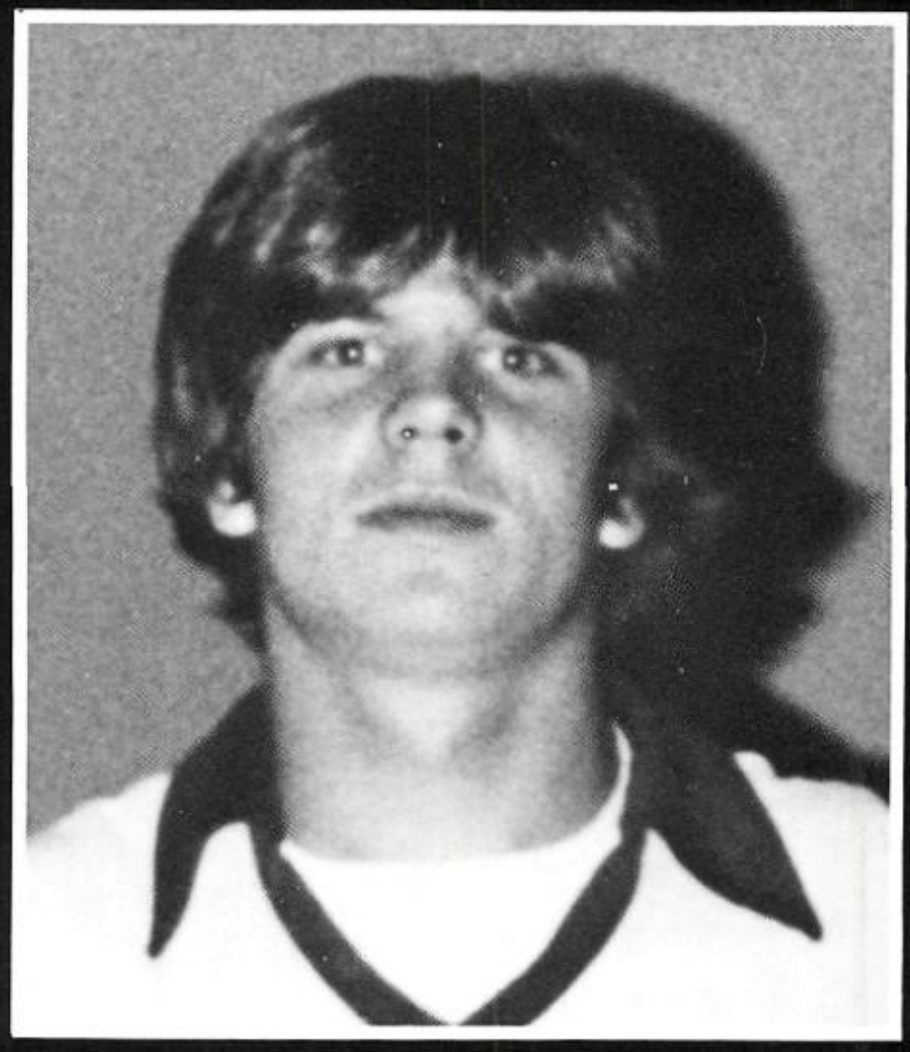
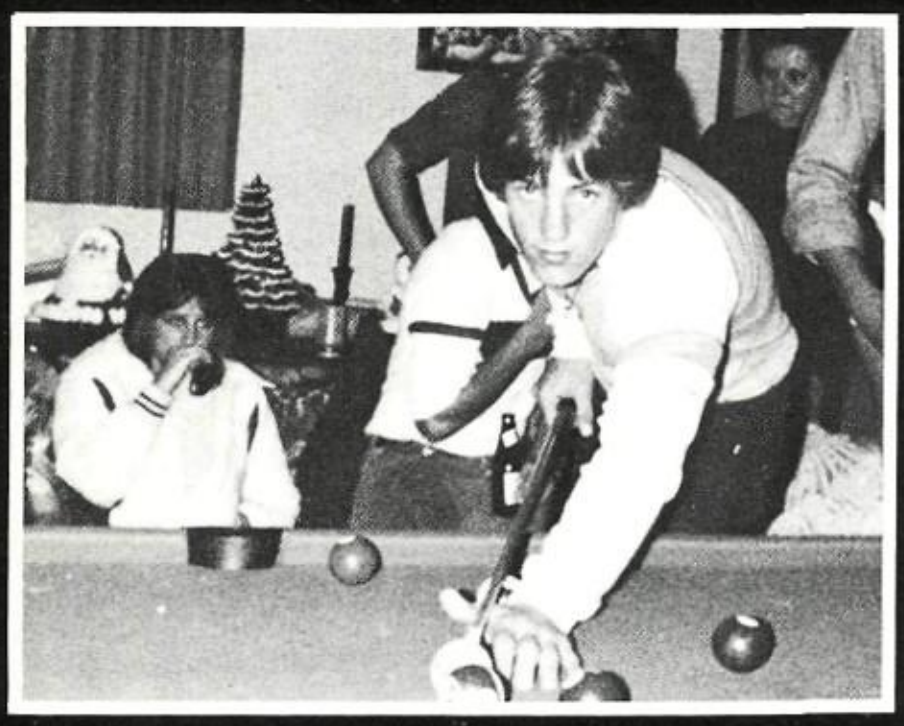
NIGHT LIFE

Although Alvin doesn't quite compare with Houston, we have a night life all our own. School and church dances, cruising, and the movies were major functions at hand, but private parties were the biggest scene. All in all, the '79-'80 schoolyear proved to be a "blast"!!!



Kyle Jones demonstrates the familiar look on faces right around New Year's.

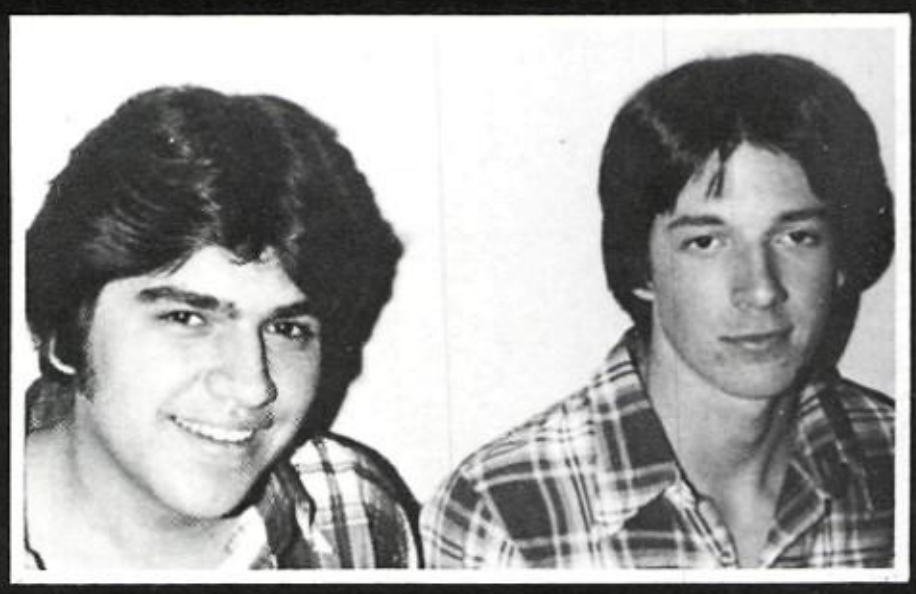


Jeff Peltier shows his style.

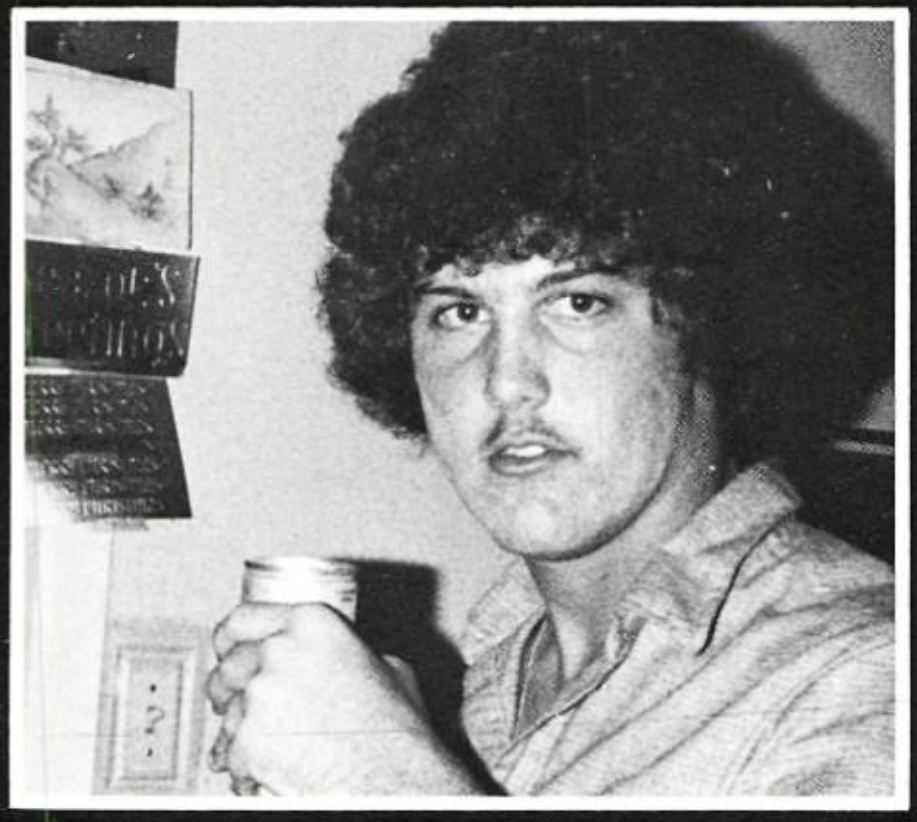
Anna Larson and Terri Pelzer show true holiday spirit at Alan's New Year's Eve party.

WE HAVE A BLAST!

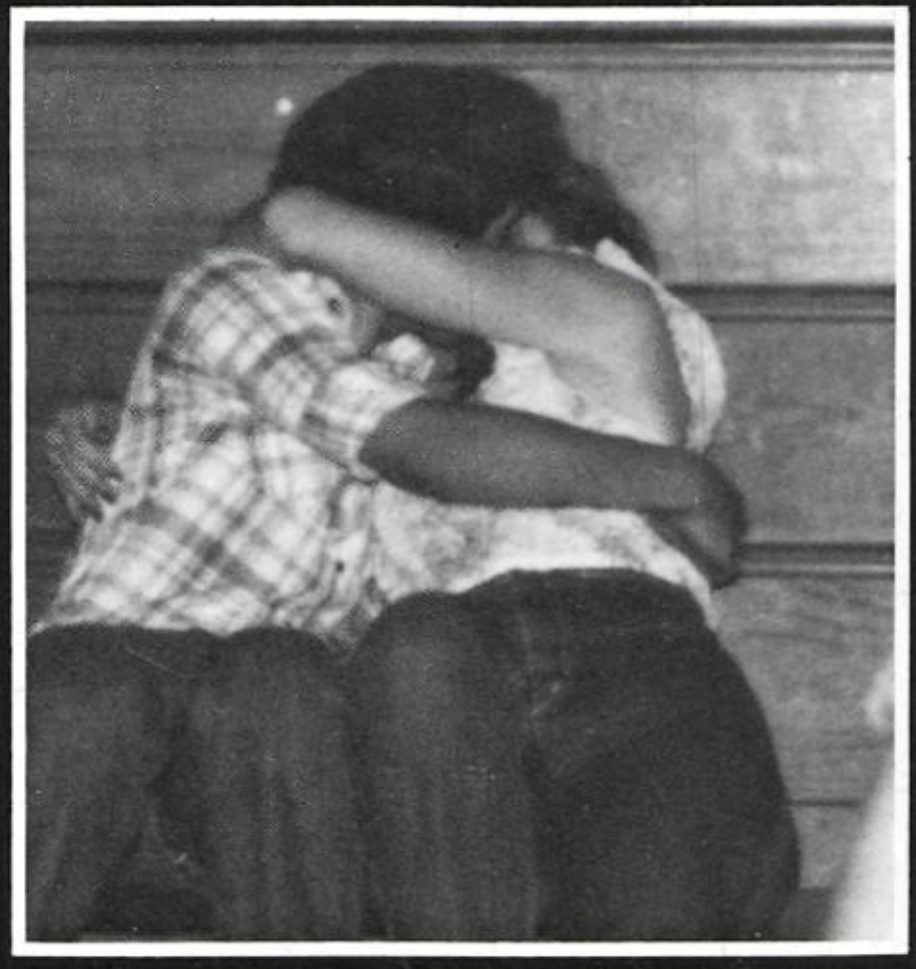
Sean Berry, Cliff Baker, Ricky Rivas, and Alan Hooper know night life.



Joe Loya's still smiling, but Kevin Ercums??

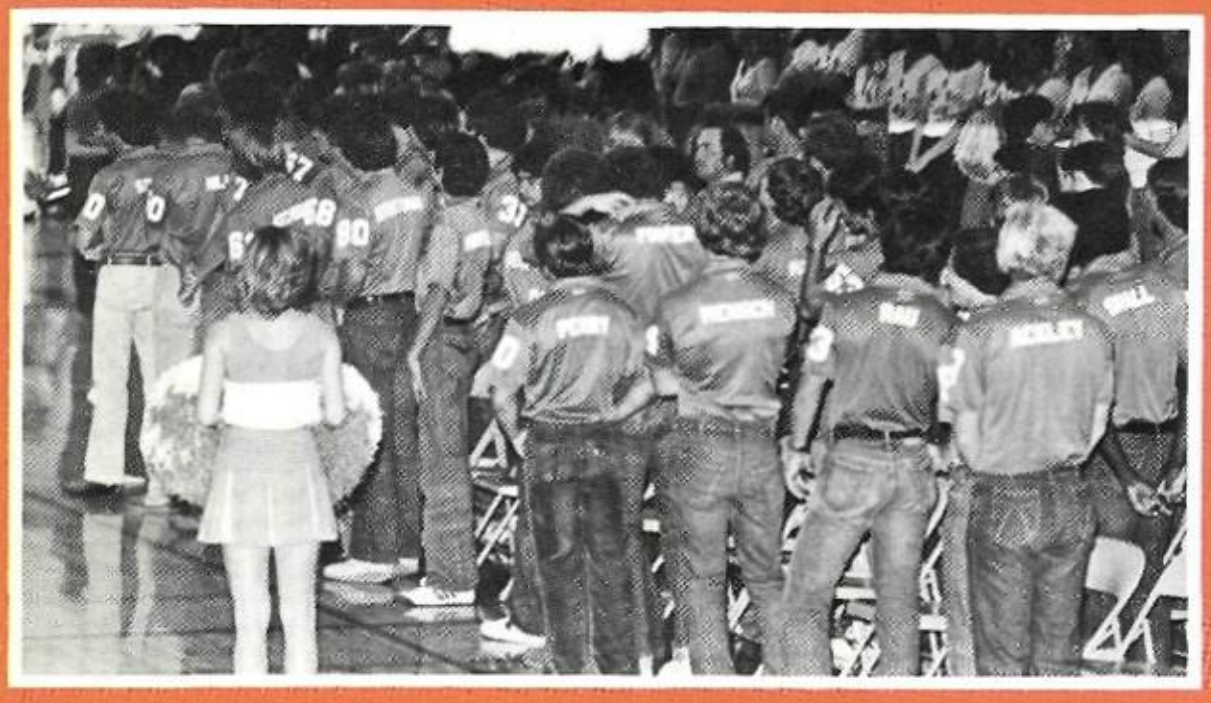


Doug Hager's got the gusto!!!



A popular "sport" at A.H.S. dances.

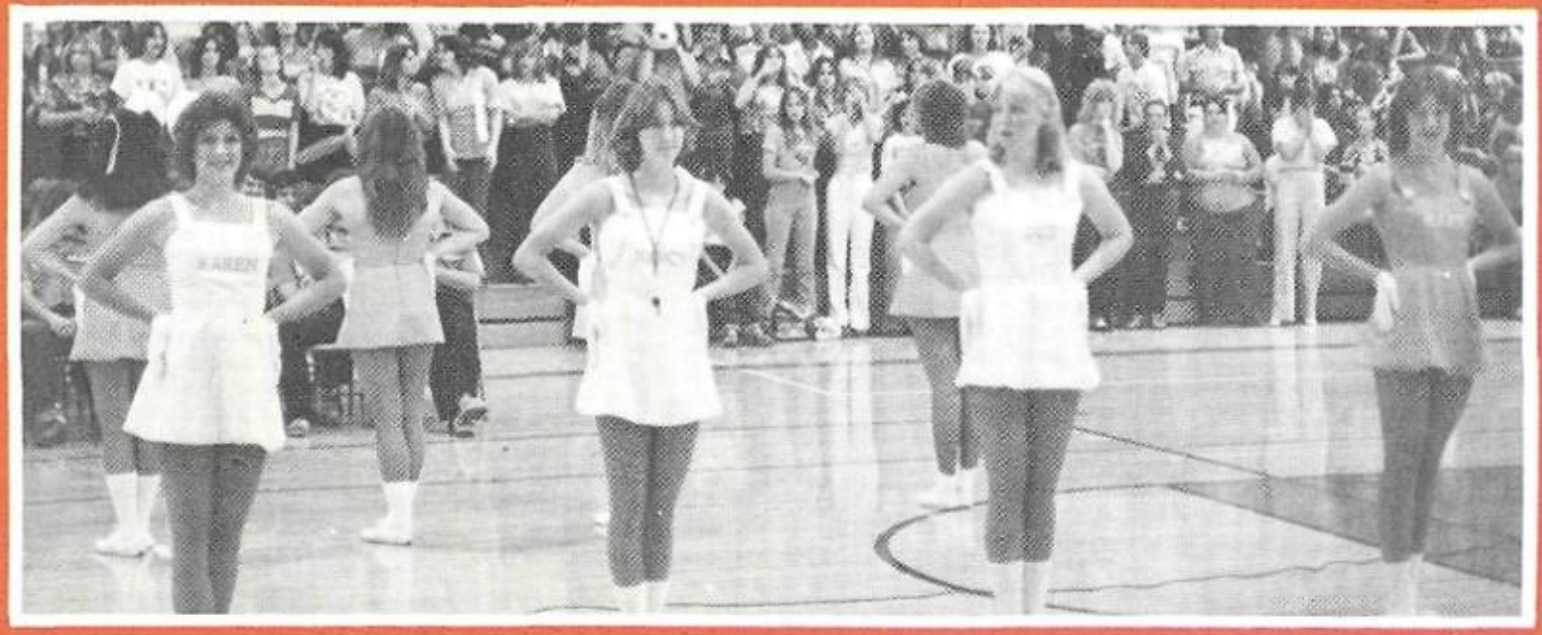
PEP RALLYS



As the Alma Mater plays, the gridiron *men* stand and think about the task at hand.

Everybody loves the camera! Huh! Mellisa?

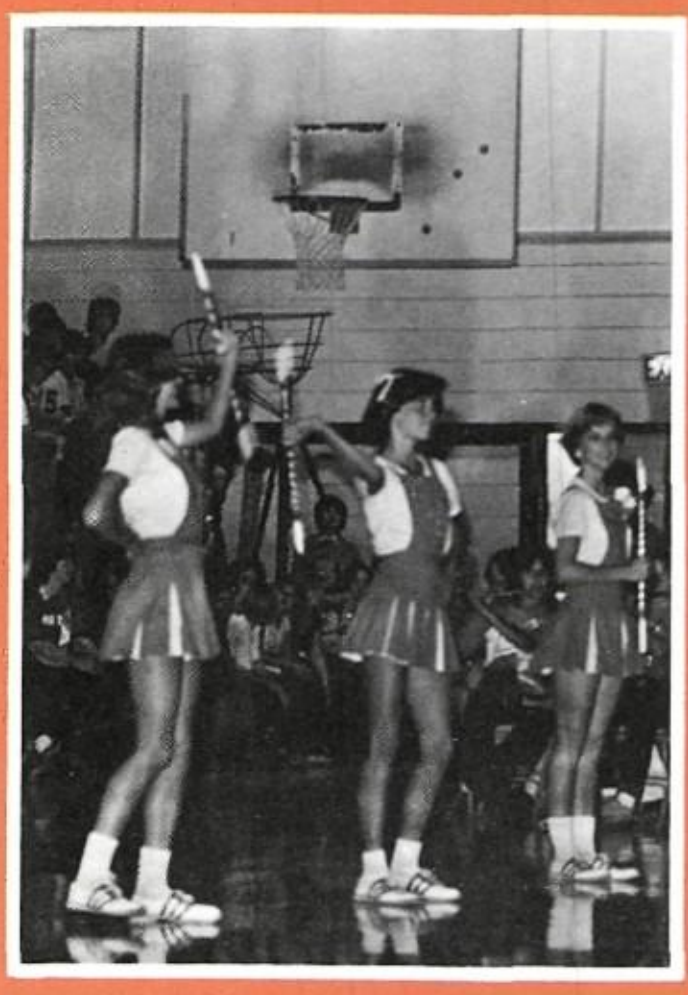
In their second year the brigade struts once again to the beat



Despite a losing season on the gridiron the cheerleaders, Band, Brigade, and spirit group pepped up audiences at the pep rallys with good music, fine dance and loud cheering, led by the cheering Juniors.

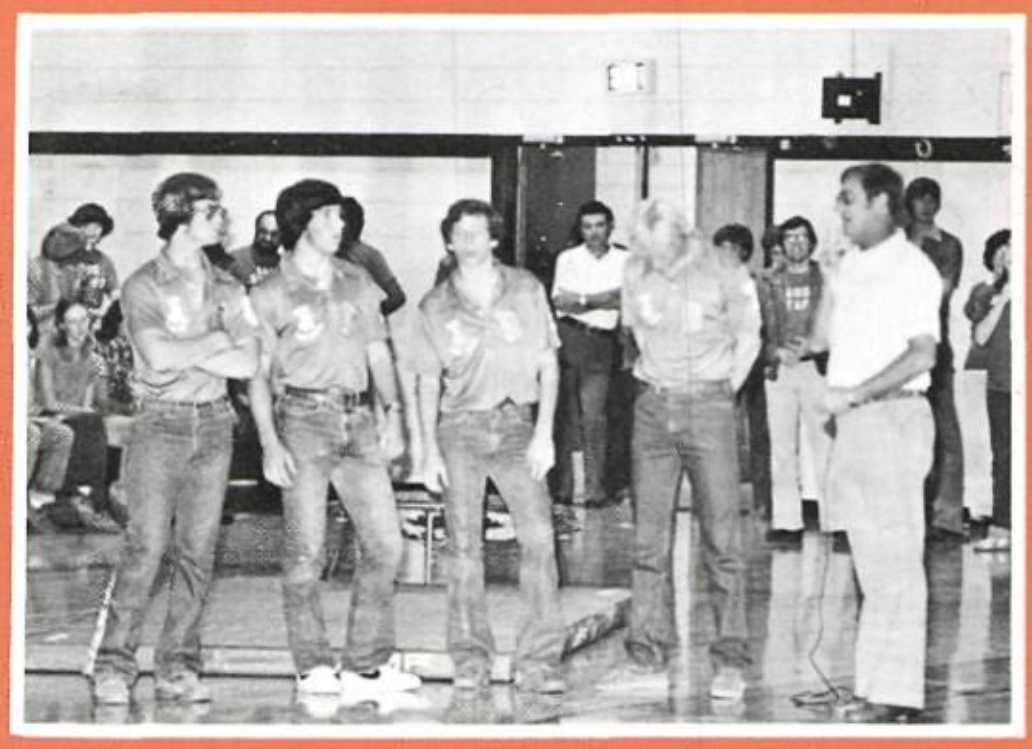
CHEER US UP

Srs. bring on the balloons



Soph. Kandy Bennet wonders when it will be her turn to twirl . .

YES, Happiness is Winning, but we don't care.



"We really had a good practice this week" . . . . The familiar words of head coach Tommy Ward.

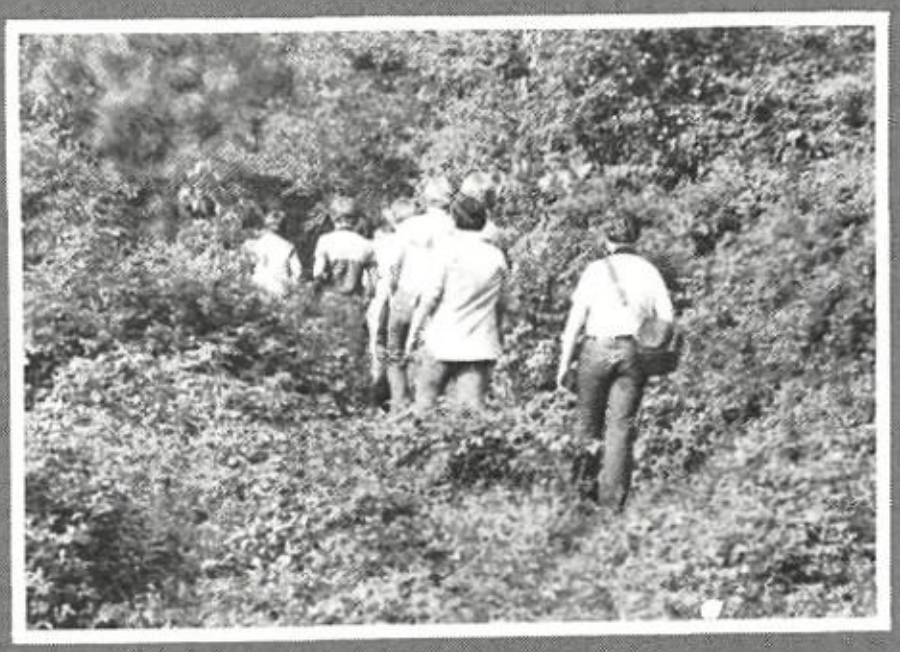
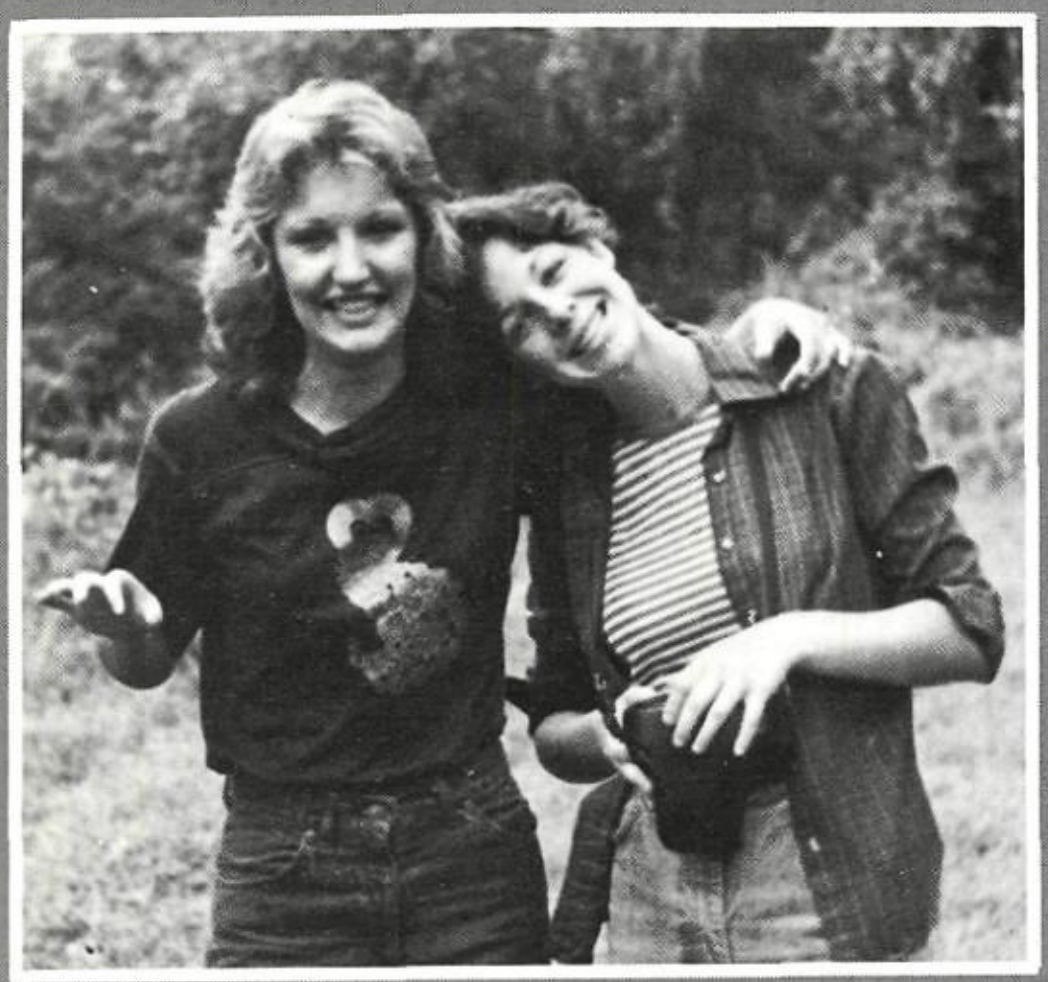
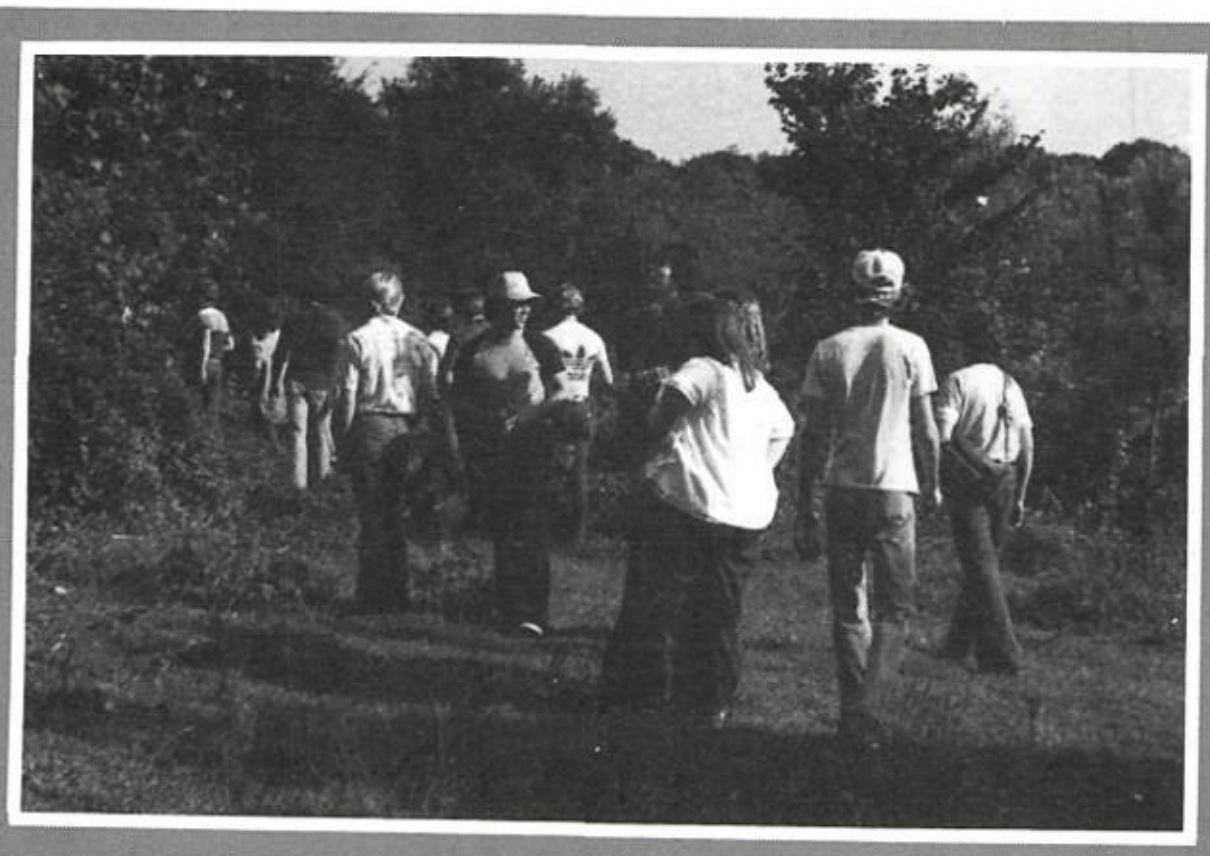
ENVIRONMENTAL SCIENCE



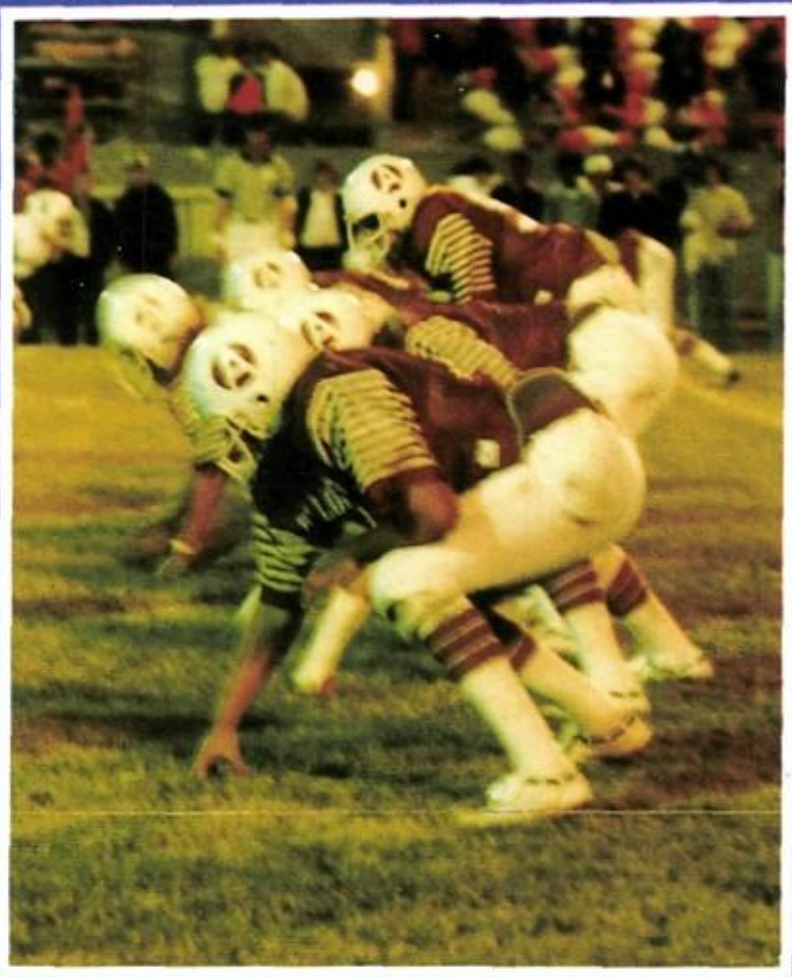


TRIPS-OUT



One of the new courses at Alvin High School this year was Environmental Science. Conrad Hayden in his second year at this school was teacher and sponsor of the program. The class took five field trips this year and are hoping to get a greater number of students involved next year. The class is made up of grades 9-12 and is an excellent opportunity for students to learn about such things as animal tracking, study skin preparing, bird identification, and, plant growth and conditions. ENVIRONMENTAL SCIENCE- a really great new class at A.H.S.

THE STING 79



EXCITEMENT

Queen Candidates r. to l. Debbie Kinsey escorted by Jimmy Prevost, Lesa Lindsman escorted by Ray Malone, Tonya Patterson escorted by Clark Red, Denise Pucek escorted by Mark Lang, and reigning 1978 Homecoming Queen Delores Gutierez with Chuck Ramirez also a 1979 graduate of Alvin High School

This years Homecoming week was offically named "The Sting", it was well organized by both Teachers and the Student Council. On Friday, November 2 with the car decorating contest the Activites were set off. The Juniors jumped out into a commanding lead winning the 2 first place ribbons in the Tacky Day competition and all but 1 first place in the Play Day competition. At the Homecoming pep-Rally The band played an excitement filled version of the Homecoming theme "The Sting", as the crowd roared the Jacket battle cry the points were totaled and the juniors beat the Seniors for the weeks spirit stick. All were quiet at the game that evening as Alvin suffered a disapointing 28-29 clash with District 24-4A Champs, Texas City. All was not lost as Lesa Landsman was Homecoming Queen winner for 1979.

"Duh, I think I'm Jenny Winters . . . Brainyard!" Cathy Collier to Kerry Beck.

On February 14 and 16, the Senior class of 1980 presented the murder mystery comedy, "Agatha Christie Made Me Do It". It proved to be one of the all-time best Senior plays ever done in Alvin. Cast members not pictured include: Barry Smith, Ricky Brewer, Laurie Barnett, Randy Free, Kay Lacy, and Mylinda Bolton.

Pals

State Representative, Jerry Benedict, took time from his busy schedule to come to Alvin High School to inform the Seniors of 1980 about the Texas Legislature. It was a typical question and answer session. Many questions were raised such as the reinstatement of the draft with women included; the drainage district plans for flood control; the redistricting of Texas for better voter representation, etc. . . . The Seniors of 1980 walked out refreshed and relieved knowing that their State Representative is hard at work and having a better understanding of their state government.

STUDENT GOVERNMENT DAY

A group of Alvin High School Seniors had a hand at trying out their expertise at running a city government during "Student Government Day" with the Alvin City Council. The "elected officials" accompanied their city official as they went about a routine day.

The Alvin City Council treated the "junior government officials" to a stimulating lunch at the Mexican Village Restaurant.

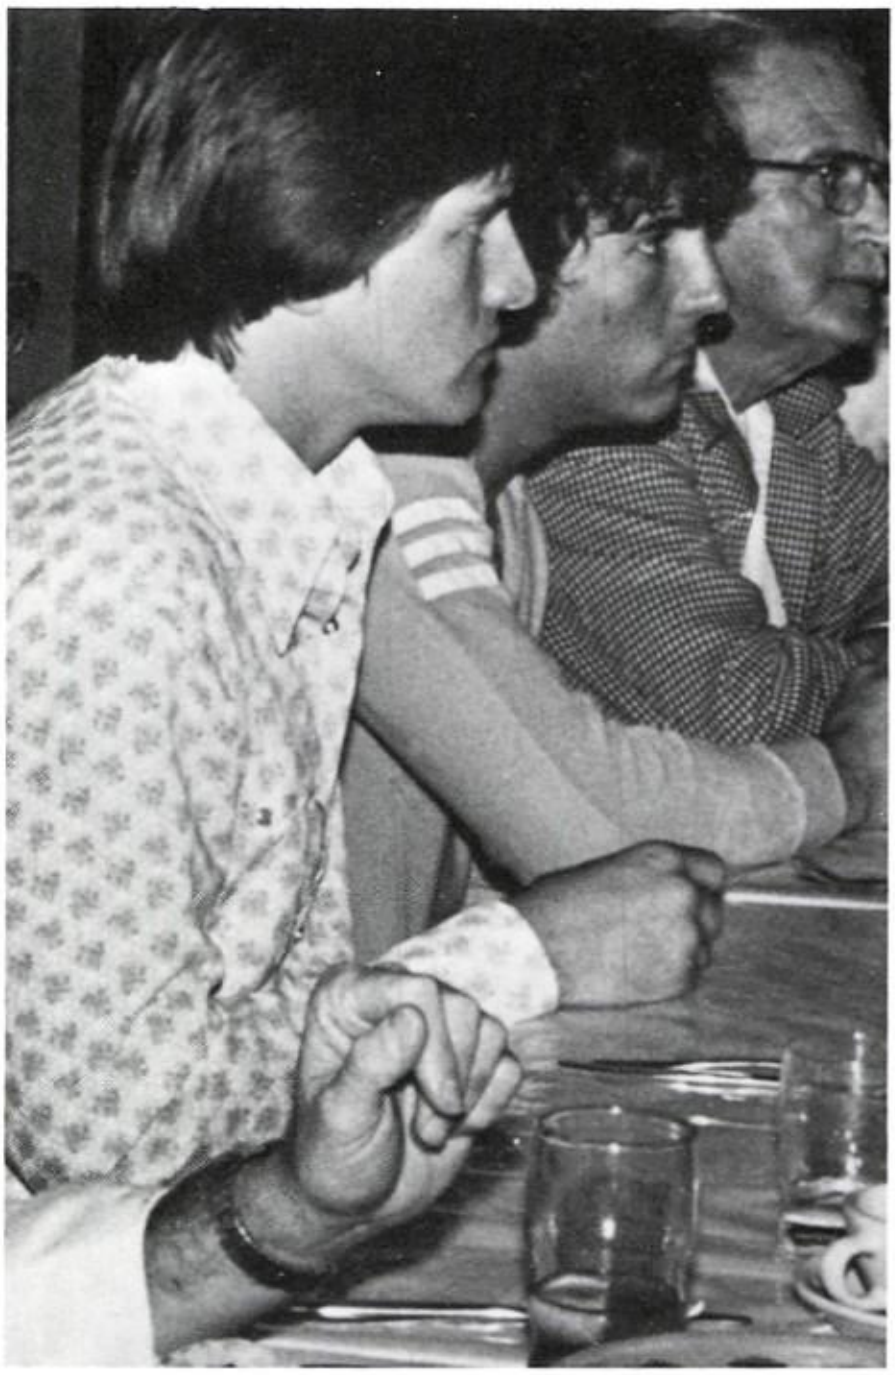
The Seniors also attended a regular city council session in which they discussed and took action on regular business with the guidance of the real city council members and department heads.

Elected were:

Mayor-Sharon Sudderth; City Council Members- Jay Atkins, Laura Rossi, Alan Hooper, Randy Rozacky, Sharon Vardado, Lesa Landsman, Craig Hunt; City Manager-Betty Banks; Municipal Judge-Jay Still; Police Chief-Rodney Guidry; City Attorney-Terasa Cooley; Director of Operations-Ross Jones; City Engineer-Bruce Pickett; Tax Assessor/Collector-Ruth Summers; Fire Marshall-Ben Cooper; City Secretary-Kim Wynne; Finance Director-Mike Reynolds; Building Inspector-Curtis McBride.

TAKE OVER

Want some advice ..... Stay Out of politics says city councilman C. P. Munz to Jay Atkins.



Who ever heard of King Arthur's Roundtable? says Rodney Guidry to Bruce Pickett.

GAMBLERS DEAL WITH A LOADED DECK

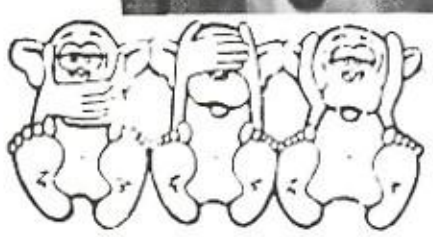
SENIORS REGRESS —

Paula & Gwen are amazed at the size of Jill's mouth.

Curtis & Butch explain to Sean what comes after Puberty.

Donna Reed thinks back on the days of Mighty Mouse and Donald Duck

Cutest Couple-Jay Still & Jana Jernigan; Cutest Girl-Linda Trojanowski; Cutest Boy-Mike Rau.



Kid Day Preppy.

Would ja like to lic our lollipops??

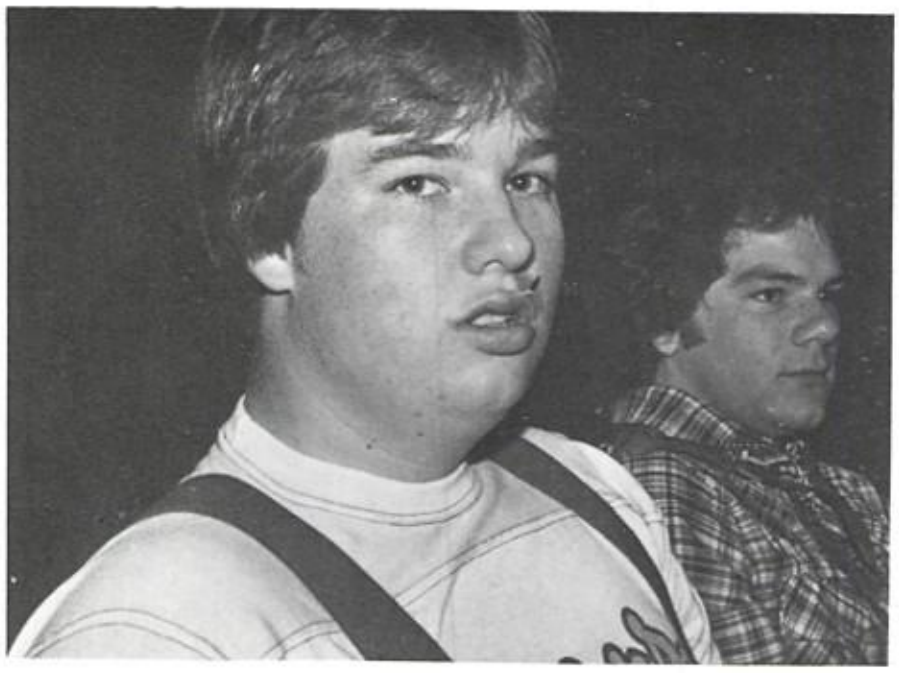
Mommy they got me down and tried to kiss me.

TO CHILDHOOD DAYS!

David, Jay, Keith & Rodney laugh at Mike's USUAL attire.

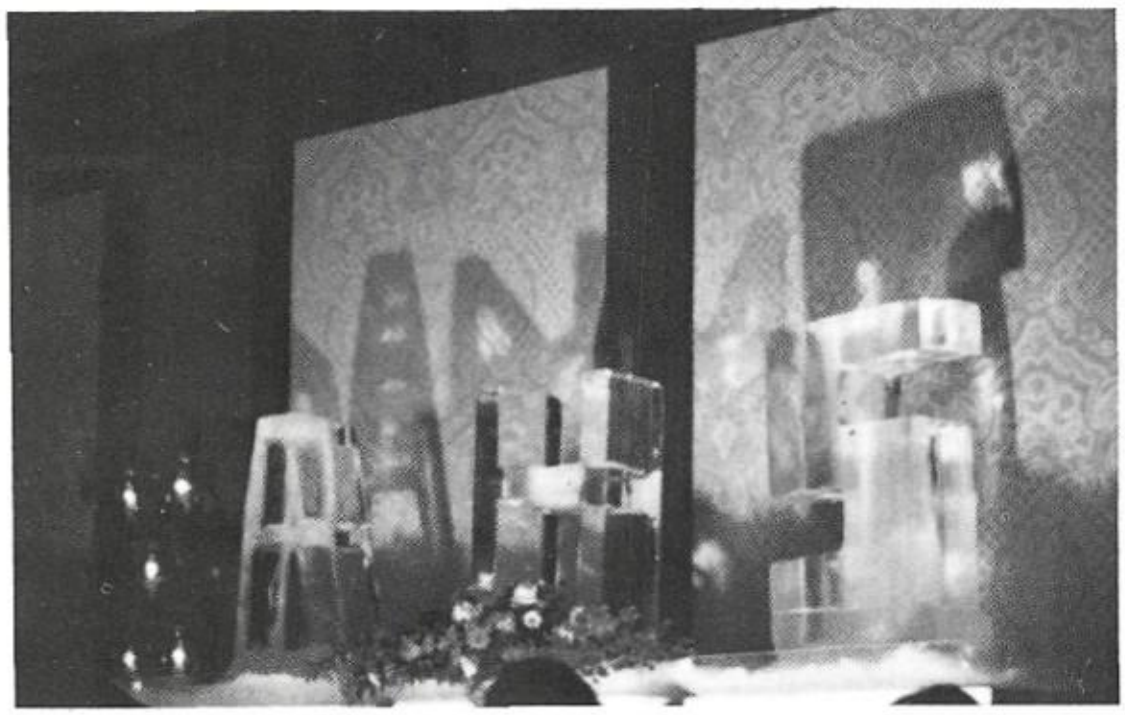
Help, we don't know how to tie our shoes!

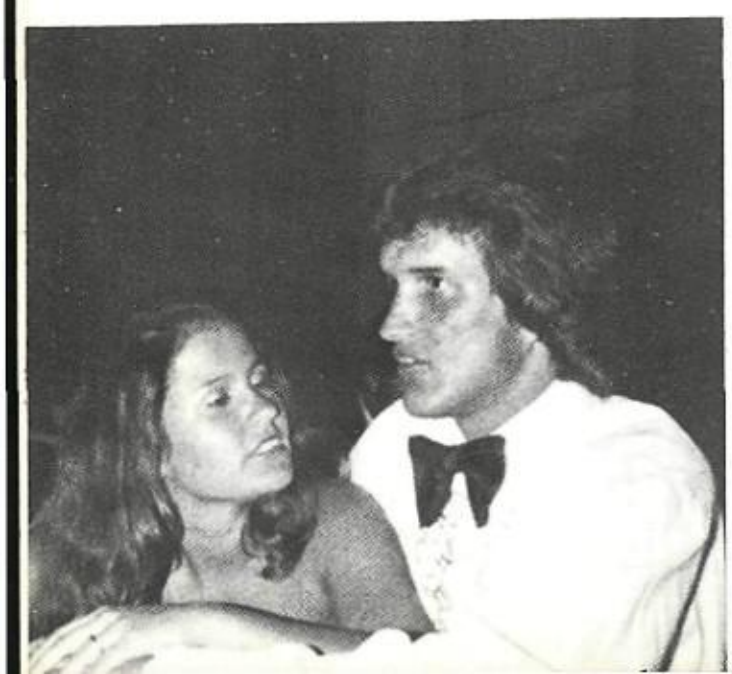
Who is going to give the wormy apple to the teacher?



Hey Robbie, that guy called me Baby Huey!

Debra tells Lisa, "I have rabbit teeth too."





The 1980 Senior Class of Alvin High School selected:

Motto: "Live for today, Treasure yesterday, challenge tomorrow."
Song: "Freebird"
Color: Burgandy & Silver
Flower: Burgandy Rose

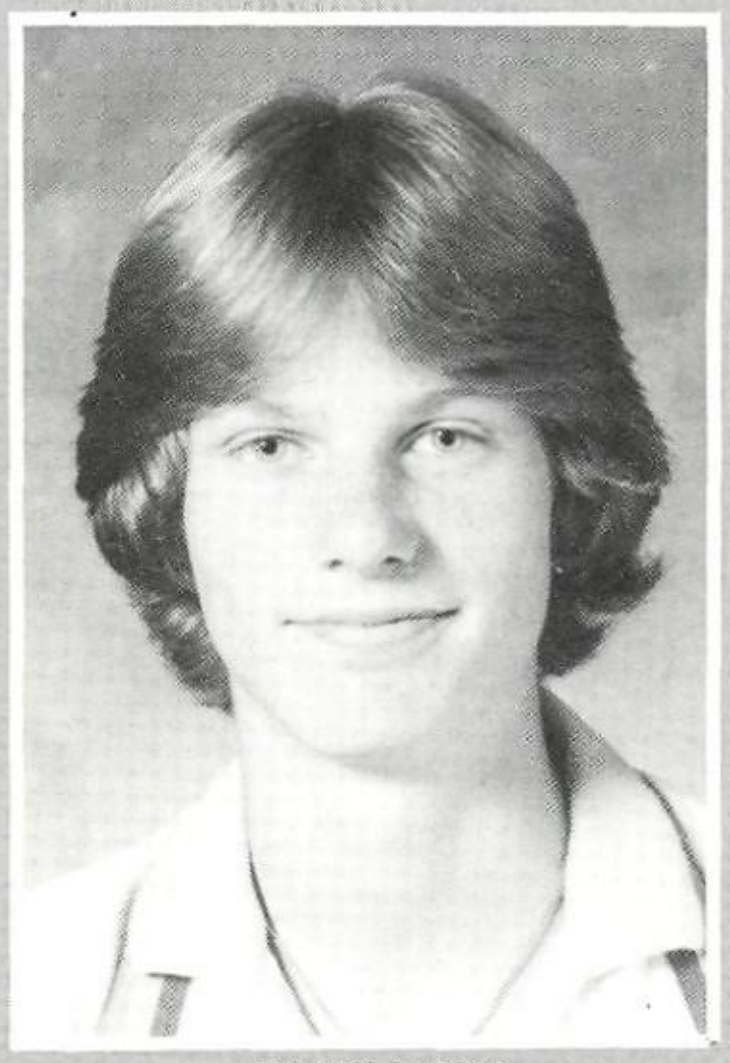
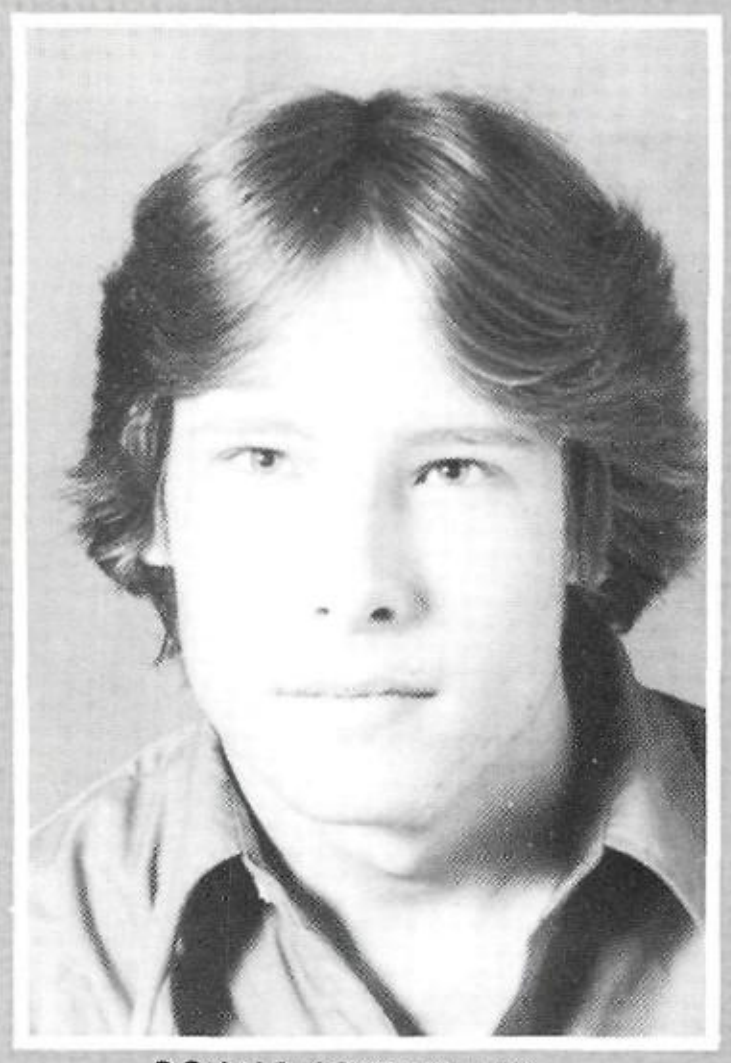
IN MEMORY OF . . .



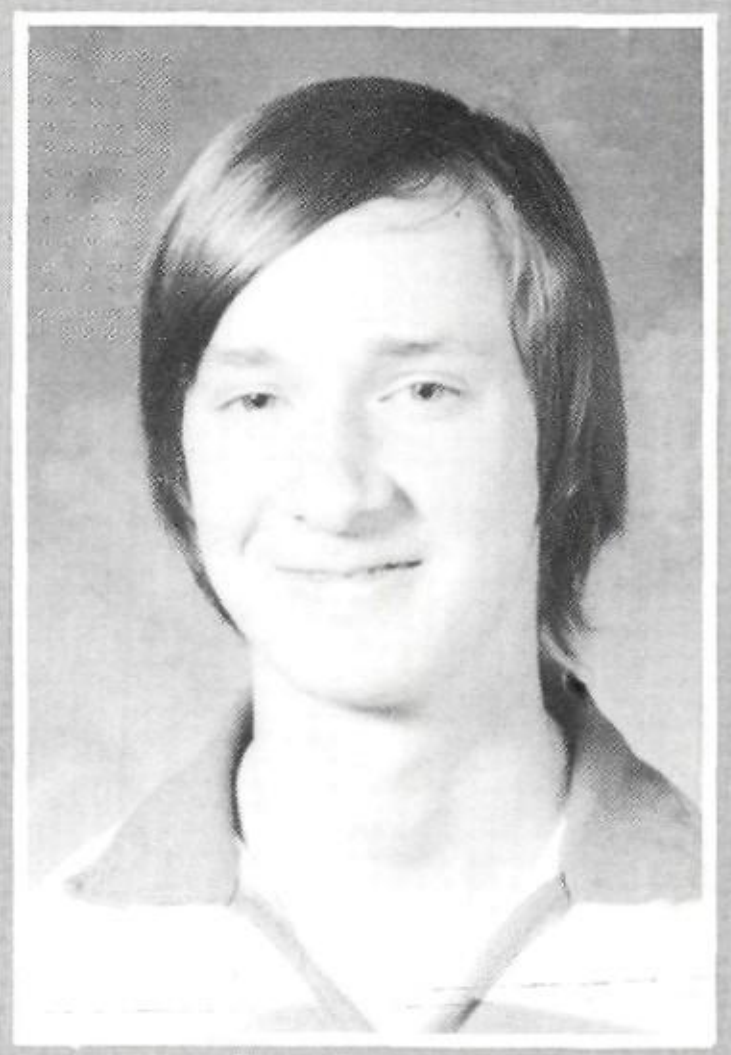
BOBBY PARISH



DONALD SCHUENEMAN

"SAVE ME A PLACE"
by
Bobby Parish

I want to be where the grass is green,
And the sea is even greener.
Where it snows in winter,
And smells of unburnt fir,
But where plants will always grow.
And in the summer, take a silent slumber,
Under the moon's faint glow –
Without fear of meeting an unwanted foe.
Where laws are not heeded,
Because they're not needed.
Where friends there are many.
Where you need not a penny
Because there is no want,
Or hunger and poverty there to haunt
But, where is this land, so pure and fine?
If you ever find this land so fine,
Please save me a place in line.



CHARLEY RIVES

OUR FRIENDS

Wilkinson, Scott
Williams, Bryan
Williams, Carrie
Williams, Troy
Wilson, Robin
Wimberly, Sophie

TO: CHARLEY, DONALD, AND BOBBY

One was always blushing
One was always smiling
The other always laughing

They lived in separate worlds
Yet touching everyone
Everyone who knew them

They blended in
Yet stood on their own
Separate - as individuals

He who always blushes
Blushes joyfully
With serene peace

Now he who always smiles,
Smiles peacefully
A smile to remain forever and remember

And he who always laughed
Laughs silently, for all or none,
To hear in eternity

They are missed
By those of us
That are left

We will remember them
As they were in yesterdays
Now that they are gone

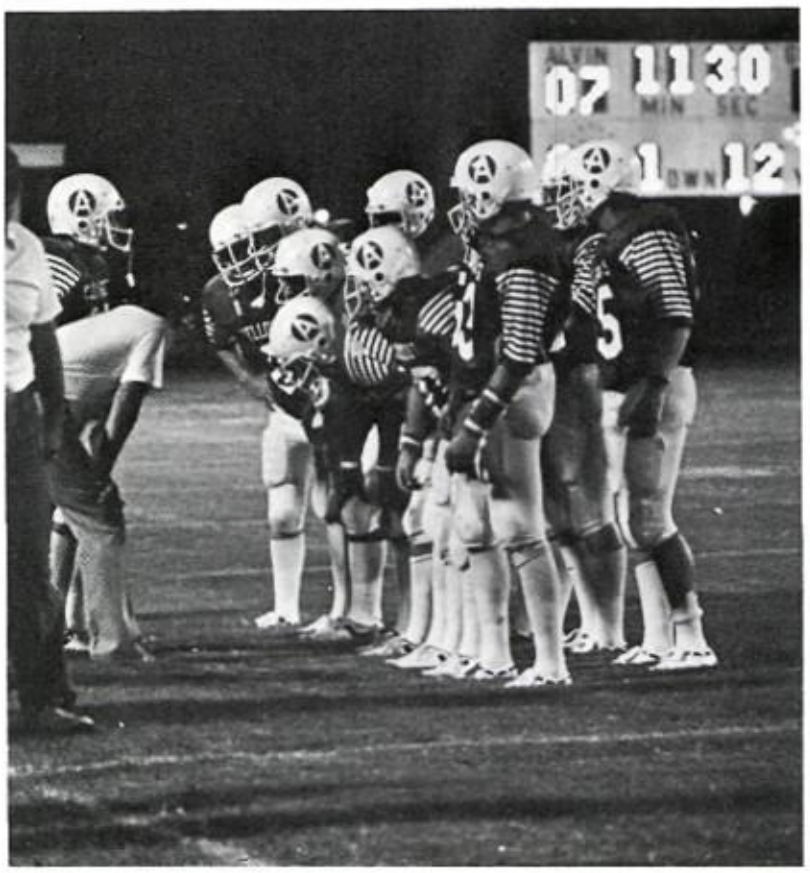
7 JACKETS MAKE ALL-DISTRICT



O.K. boys, this is what we're going to do.

A brisk northwest wind blew through Alvin High School's Memorial Stadium as it looked like the Alvin Yellowjackets were going to put the Texas City Stingarees out of district contention in perhaps the most exciting football game ever played in Alvin. The Stingarees, however, had different ideas as their shell-shocked crowd brought the Stings back to life late in the game to overcome Alvin's 21-7 lead and take the district crown with them. Alvin totally dominated the entire game, but the Stings came through when it counted and took away the victory.

This was the way it was all year long for the frustrated Yellowjackets. They played even the toughest teams well, but the breaks always seemed to lean the other way. Coach Ward's gang never gave up the ropes in any game once again proving that 'Jacket Fight Never Dies!'

After the impressive 5-5 record from 1978, everyone was expecting great things from the Yellowjackets, but fate had it another way.

Deer Park started off the tough breaks for the 'Jackets as they blew through Memorial Stadium taking the 'Jackets 32-7. Senior quarterback Charlie Ackley was the offensive leader as the Yellowjackets jumped out to an early 7-0 lead, on George Perry's 11 yard touchdown run. The offense never got real control again as the Deer took over for good.

The next game was typical of the year as the Alief Bears took it with :23 remaining in the game on a 20 yard field goal. The kick which broke the 14-14 tie placed the Yellowjackets at the bottom with an 0-2 record. Junior running back Alex Small scored both Alvin touchdowns and gained more than 100 yards on the night.

Clear Creek turned out to be Alvin's only "victim" of the year as the Wildcats were stung by the 'Jackets 39-9. Scores in the game came from Alex Small, Charlie Ackley, Kyle Channing, Jim Foster, and two touchdown receptions by Scott Lang. The large lead allowed junior quarterback Lyn Hitt to see his first action of the year, and he did well under the pressure responding with three touchdown passes. Great defense was led by Carroll Kelly, Coby Sweeny, Steven Skidmore, and Kyle Jones.

The excitement from the win over Creek spilled over into the next week as the pep rally prior to the Galveston Ball game was one of the best in the School's history. The game, however, was another story as the 'Jackets came away bleary-eyed and winded after chasing down Ball's speedy running backs all night long. The Tornadoes led at one point by the score 34-7, but the Yellowjackets never gave up and battled back to 46-27. The 500 yards that Galveston racked up on the ground was just too much to recapture and the 'Jackets fell to 0-1 in district play. Having good games against Ball were Ackley, Foster, Sean Berry, George McDonald, and punter Kyle Channing.

Against Angleton, tragedy struck as Ackley went down for the remainder of the season with a knee injury. It wasn't a total loss, however, as by the score of 35-14 in the battle for district hope. The Yellowjackets took it on the chin as any hope for the district crown was now gone. Having good games against Angleton were Hitt, Channing, Alex Small, and Jim Foster. One highlight of the game came when wide receiver Channing threw a pass to tight-end Jim Foster for a first down on a crucial fourth down play.

Unfortunately, taking it on the chin became the habit after each game from then on after the Dickinson Gators cleaned up on the Yellowjackets 42-20. Craig Hunt, Channing, Hitt, and several others gave their best effort against the Gators, but the result was another loss.

Cont. on next page.

Football

Traveling to LaMarque certainly didn't do anything for the Yellowjackets district record as the Cougars roughed up the Yellowjackets by the score of 26-12. Quarterback Ricky Rivas helped keep the 'Jackets close with nifty running and passing. Rivas scrambled for one touchdown early in the contest, and 'Jackets were held in check until late in the game. As the fourth quarter came up, the Cougars were out in front by 20-7. It was then that Coach Ward inserted Channing at Quarterback and he led the 'Jackets to a quick score. It was not enough, however, as the Cougars had one more up their sleeve.

Dulles proved to be a big disappointment for the 'Jackets as the Vikings downed Alvin 37-6. The game was really never close as the Vikings were leading 16-0. It was late in the game before Kyle Channing saved the possibility of a shut-out with a one yard touchdown plunge.

As beautiful Lesa Landsman was crowned homecoming queen, way back behind the stadium, the Yellowjackets were in the locker room wondering if they were really beating the district leading Texas City Stingarees 14-7. Yes, it was true, but the best was yet to come. The lead was to change hands three more times before the game was over, and the Stings were to be on top when the final gun sounded. The excitement for this homecoming game was electrical and the Yellowjackets really dominated the Stingarees all the way. The Stings were allowed a touchdown with 1:03 remaining, and the 'Jackets put together all they could muster, but it was to no avail as the Stings left victorious 29-28.

Pearland was the last of the battles for 24-4A in 1979 and the possibility of spoiling the Oiler homecoming looked very real going into the second half as the Yellowjackets had a 9-6 lead. The second half proved to be a totally different story as the Oilers took control and ended up routing the 'Jackets 39-15.

The Yellowjackets placed two men on the 1979 All-District team with Sean Berry and Jim Foster. Berry was named by unamimous decision by the coaches in district 24-4A. Those Yellowjackets who were placed on the second team were Carroll Kelly, Doug Hagar, Alan Hooper, and John Murray. Receiving honorable was running back Alex Small.

At the beginning of the 1979 season, there were more "'Jackets are Fine in '79" bumper stickers on cars than ever before. At least we have fans that support good effort no matter what the out-come.

As the Yellowjackets look ahead to 1980, the outlook is relatively bright as the coaching staff has several promising players returning to action. An improvement over this year is needed, and with the coaching staff and good talent, who knows what may happen as the Yellowjackets enter district 24-5A in 1980?

I do plan to be Alvin's best nose-guard in 1979. My name's Mike Raul

FRESHMAN WHITE

The Freshman White team lost their opening season game to Deer Park; however, bounced back to beat the La-Marque Cougars 20-12 in a close "see-saw battle."

In the next game Alvin came from behind for a surprising 19-14 win over Alief Hastings.

The White team finished second place in District with their win over Dick-inson 12-8 in the last game of the sea-son.

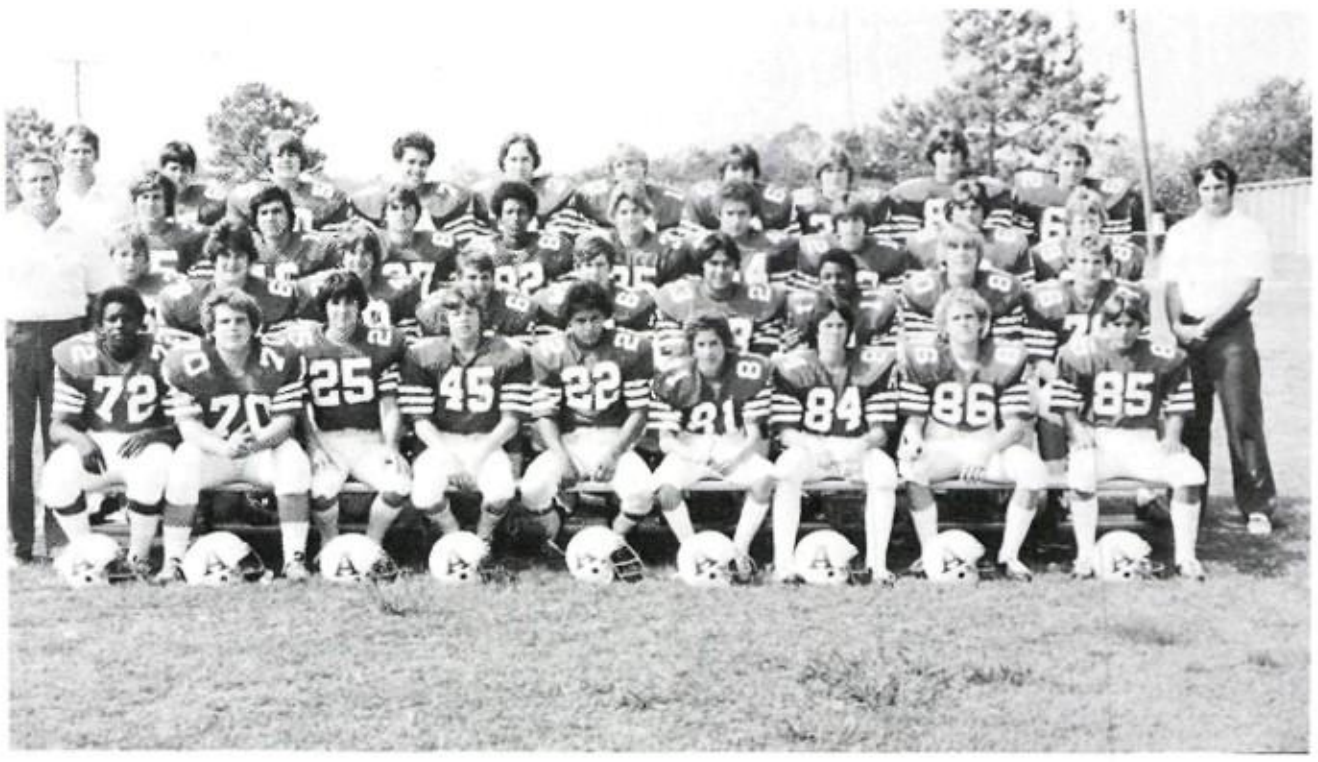
FRESHMAN ORANGE

The Freshman Orange team opened the season with a 13-6 win against Deer Park.

In their second District game, the Orange team shut out La-Marque 12-0. Impressive wins over Alief 43-6 and Clear Creek 15-6 gave the team its fourth victory.

An embarrassing loss to Dick-inson 11-0 gave Alvin second place in District with a 5-5 re-cord. Defense kept the team alive for this game.

Four members of this fresh-man team were moved to Var-sity at the end of the year: Ken-dall McGilvray, Linebacker; Tim Rau, Monster; Robbie Floyd, Receiver; and Tommy Sharp, Safety and Back-up Quarter-back.



Orange Team-John Mayberry, David Perkins, Darrell Wilson, Ronnie Lira, Albert Carrillo, Jim LeRoy, Cameron Hay, James Yeamans, Bubba Alexander, 2nd row Mike Lucia, Kendall McGilvray, Todd Peltier, Richard Taylor, Mike Perez, Steven Owens, Phillip Howard, Koby Duckworth, 3rd row-John Ikesman, Steven Diehl, Daniel Pancamo, Ronnie Floyd, Brian Edmondson, Tim Rau, Scott Marasckin, Steven Leleu, Ray Pelton, 4th row-Austin Ripstein, Danny Crainer, Clifford Veillon, Doug Johnson, Tommy Sharp, Kyle Eckhardt, Kevin Voss, Brian Roger, Wick Ward. Coaches are Dale Walter, Jerry Burkhalter, and Mickey Gilbert.

VOLLEYBALL TEAM UPHOLDS WINNING

79-80 Varsity Volleyball Team-(Kneeling) Kim DelBello, Linda Vaughn, Sherrie Lowe, Jean Polasek, Cindy Torres. Back row-Brenda Manry, Coach Jo Beth McElrath, Melissa Ludwig, Rae Lynn Blumrick, Sheila Olsovsky, Cindy Arevalo, Peggy Phillips, Marilyn Navarro.

The Yellowjacket Varsity Volleyball team opened their 1979-80 district season with wins over Deer Park 15-8, 16-14.

At the next game, the 'Jackets denied the Pearland Oilers a claim in the game by thrashing them 15-0. That game displayed the fine defense Alvin is known for.

With spirit left from the Oiler wins, Alvin went on to take two away from the Dulles Vikings in what was considered a key district match.

With three victory sets behind them, the girls went on to clinch the first round district championship by beating the Angleton Wildcats 15-9, 16-14.

In the game following, the Yellowjackets boosted their record to 7-0, upon speaking by Galveston Ball 15-13, 15-13.

In the actual games of the District Championships, Alvin edged by the Pearland Oilers in two out of three: 14-7, 7-15, 13-6.

In their ninth straight district win the girls "whupped up" on the Texas City Stingarees: 15-3, 15-2. By the time the 'Jackets played the Dulles Vikings in second round action, they were old hands at the victory smiles. By the way, Dulles fell to the invincible Yellowjackets 15-5, 15-9.

The 'Jackets played a close set with LaMarque, but came on top: 12-15, 15-2, 15-13.

That was the girls twenty-fifth straight win!

Dickinson met the Alvin cannonballs and were blasted in two out of three: 15-5, 13-15, 15-10.

The mighty 'Jackets dropped their only district game to Angleton in the second round of play: 9-15, 14-12, 14-12.

After that loss, the Jacket's lost a close set to the Clear Lake City Falcons: 15-9, 15-12.

At the end of the season the mighty, fightin' Yellowjackets won District with a 20-5 record. Angleton finished second.

The Varsity team consisted of Seniors, Marilyn Navarro, - manager, Peggy Phillips, and Jean Polask; Juniors, Kim DelBello, Cindy Arevelo, Sheila Olsovsky, Rae Lynn Blunck, Sherri Lowe; Sophomore- Melissa Ludwig, Reporter - Debbie Deggs.

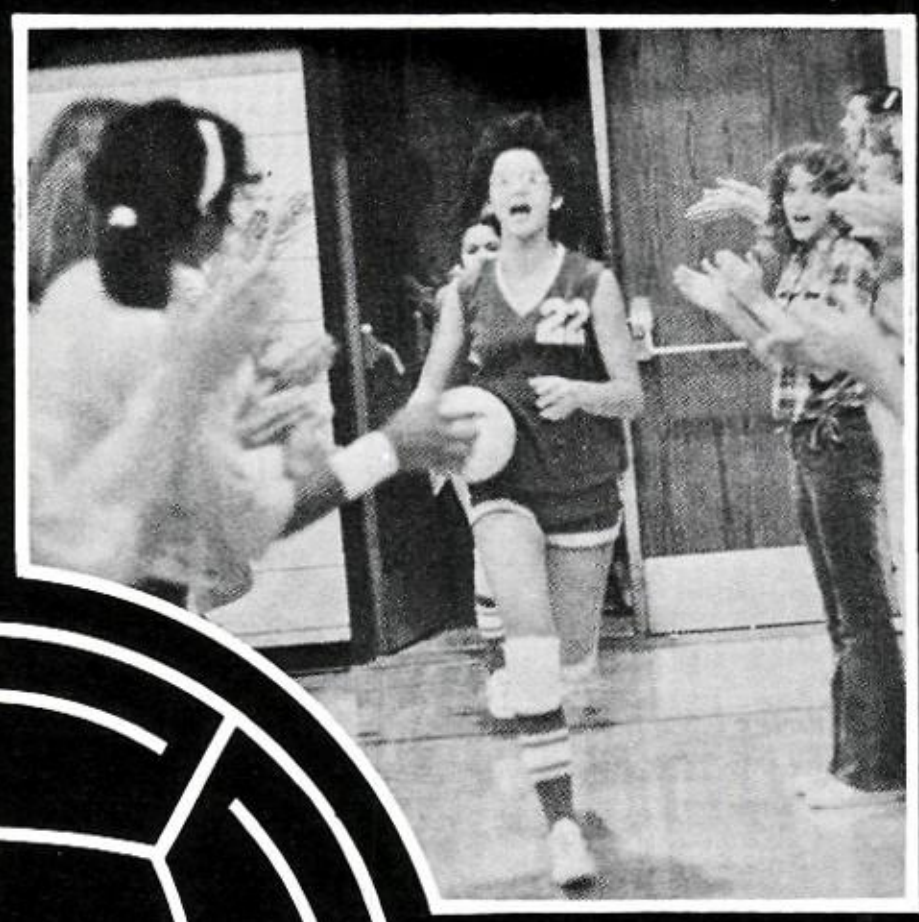
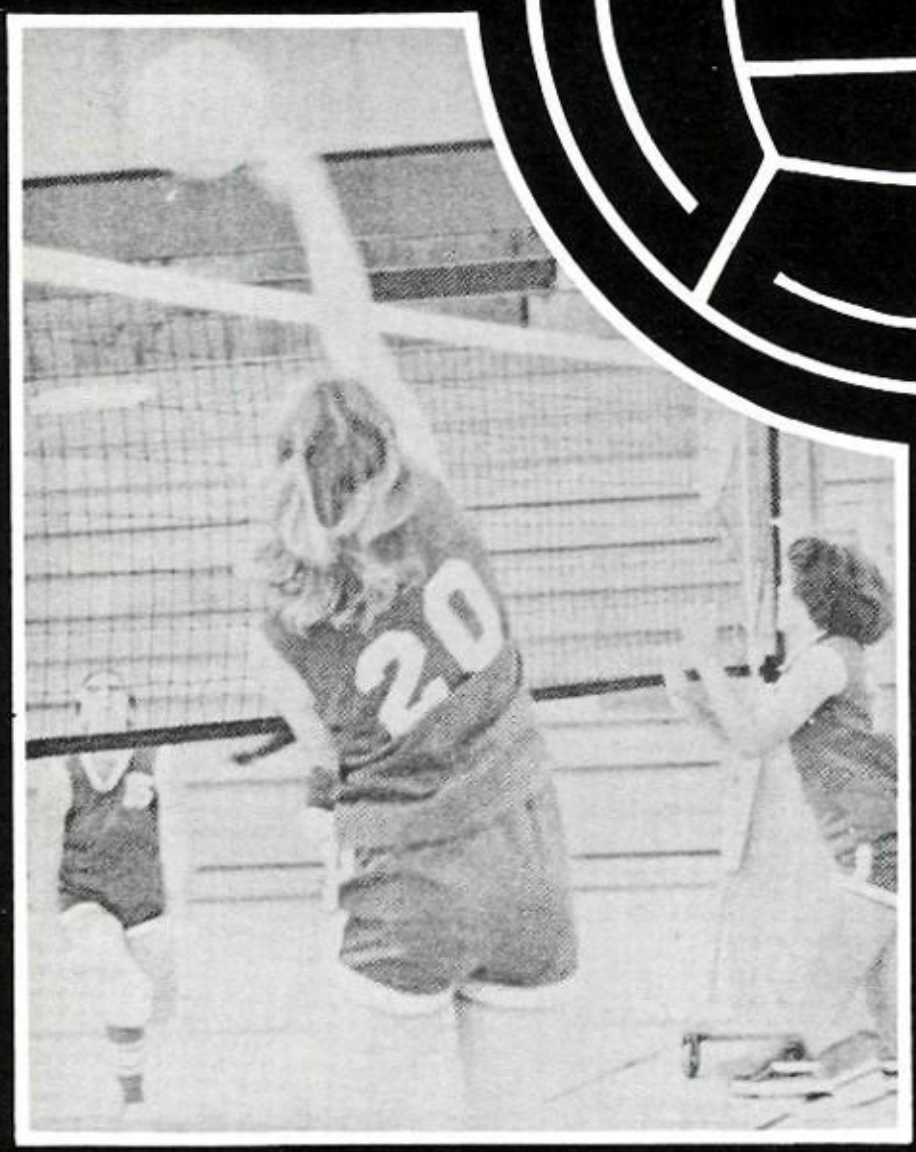
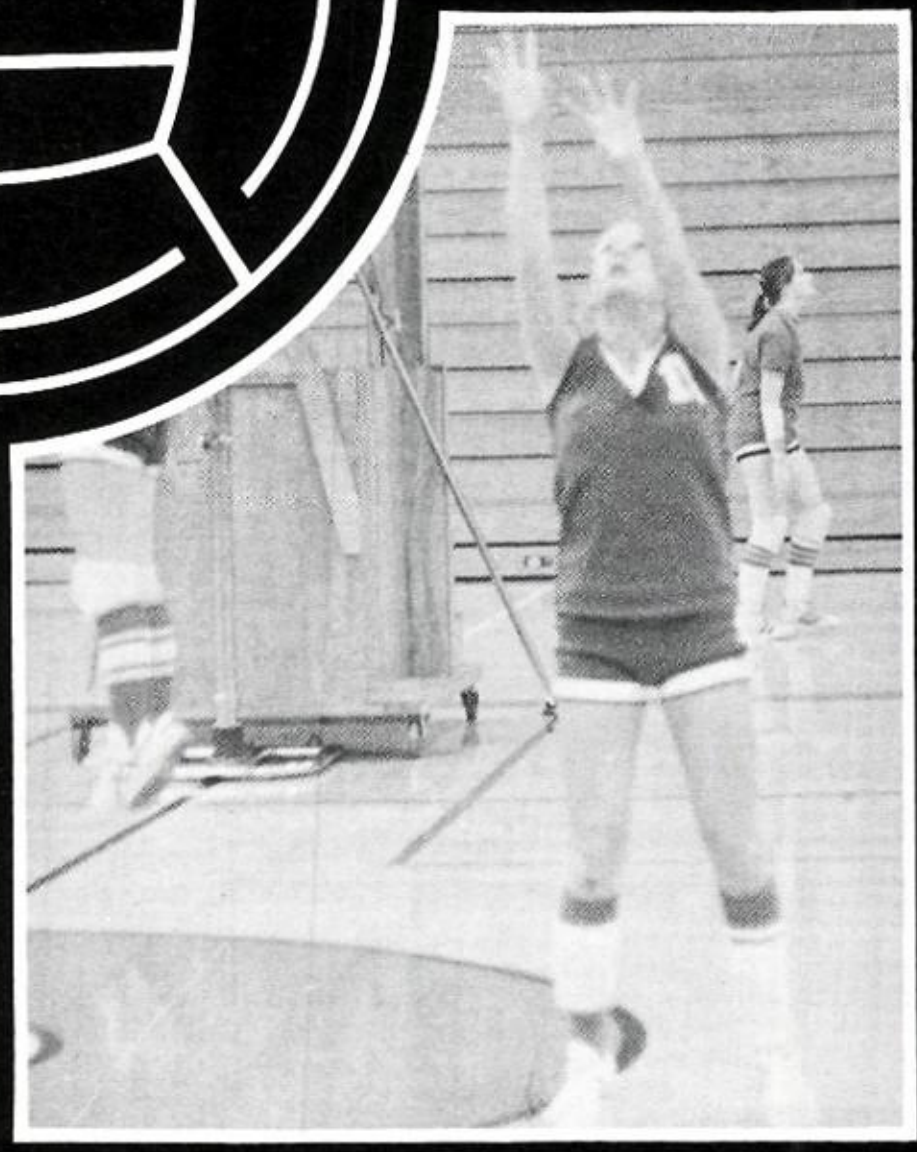
Sheila Olsovsky is shown returning the ball with great force, as the ref looks on in dismay.



"Have no fear, the Volleyball Team's here!"



Melissa Ludwig spikes the ball in hopes that no one can return it.



Kim DelBello looks towards the sky, wondering if the ball will ever come down.

J.V. CAPS DISTRICT CROWN

J.V. VOLLEYBALL TEAM - (Kneeling) Dawn Garza, Landa Ellis, G.G. Goyen, Jackie Tripp, Candy Martinez, Annette Hlinsky, Tammy Tomlinson. (Standing) Coach Janet Dirba, Annette Morales, Cheryl Phillips, Pam Devona, Sherrie Burts, Kari O'Brien.

The Alvin J.V. girls volleyball team took a close set against Deer Park: 9-15, 15-12, 15-12 to open the first round of play in the 1979-80 season.

In the Dulles game, Jayvee girls lost a key district showdown. For Angleton, the girls rallied to victory: 15-11, 15-7.

In the beginning of second round play, the Jayvee's got by the Pearland Oilers 15-11, 15-13.

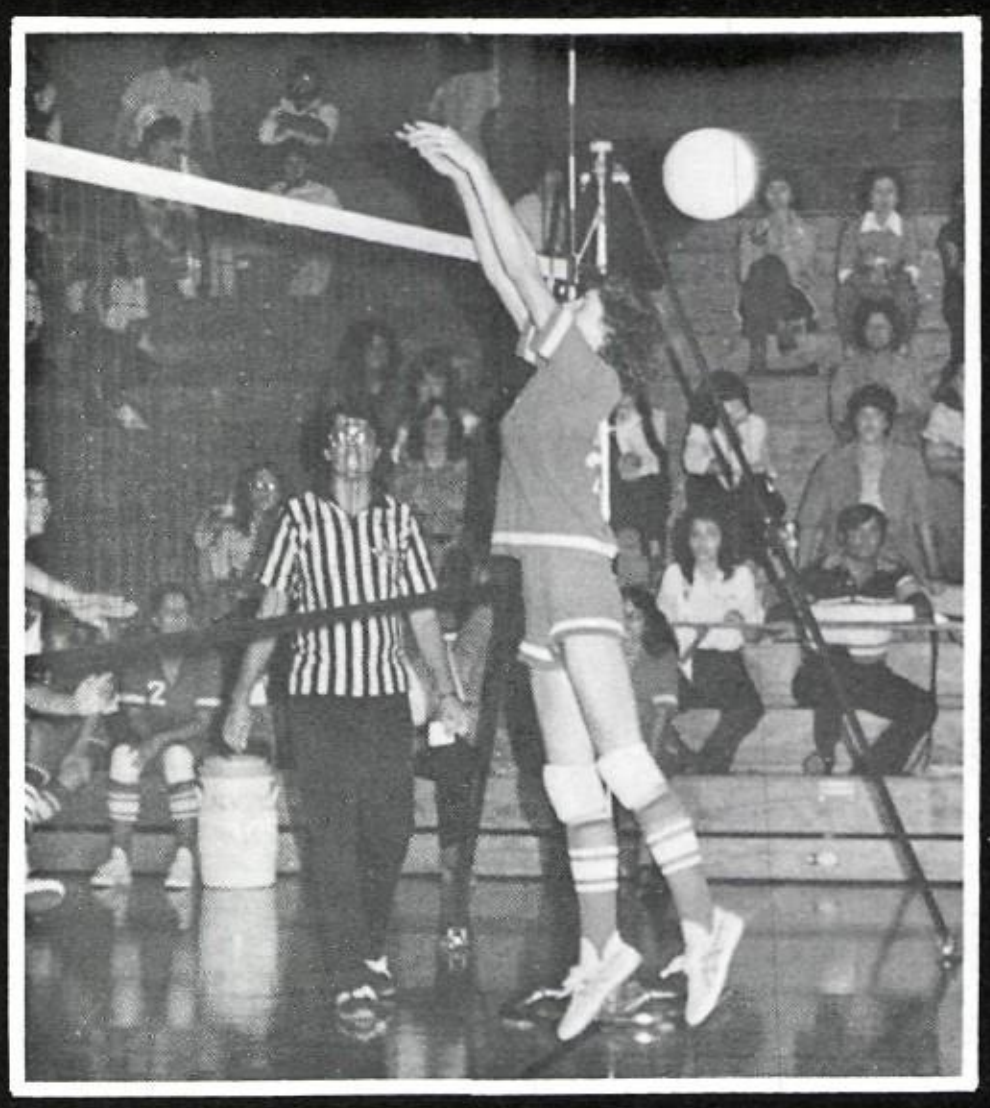
In the next games, Alvin smashed the Texas City Stingarees: 15-6, 15-7. Then it was a hard game against the Dulles Vikings: 16-14, 15-9.

Alvin Jayvee's pounced Dickinson Gators and the Gators took a thrashing: 15-11, 15-8.

The girls went into the Gator game undefeated in the second round of 24-4A play.

The Jayvee girls finished up the season with a 15-11 victory over the Angleton Wildcats and took district title.

G.G. Goyen starts off the game with a great serve.



Cheryl Phillips goes up for the block.

FRESHMAN VOLLEYBALL PUSH TOWARD DISTRICT

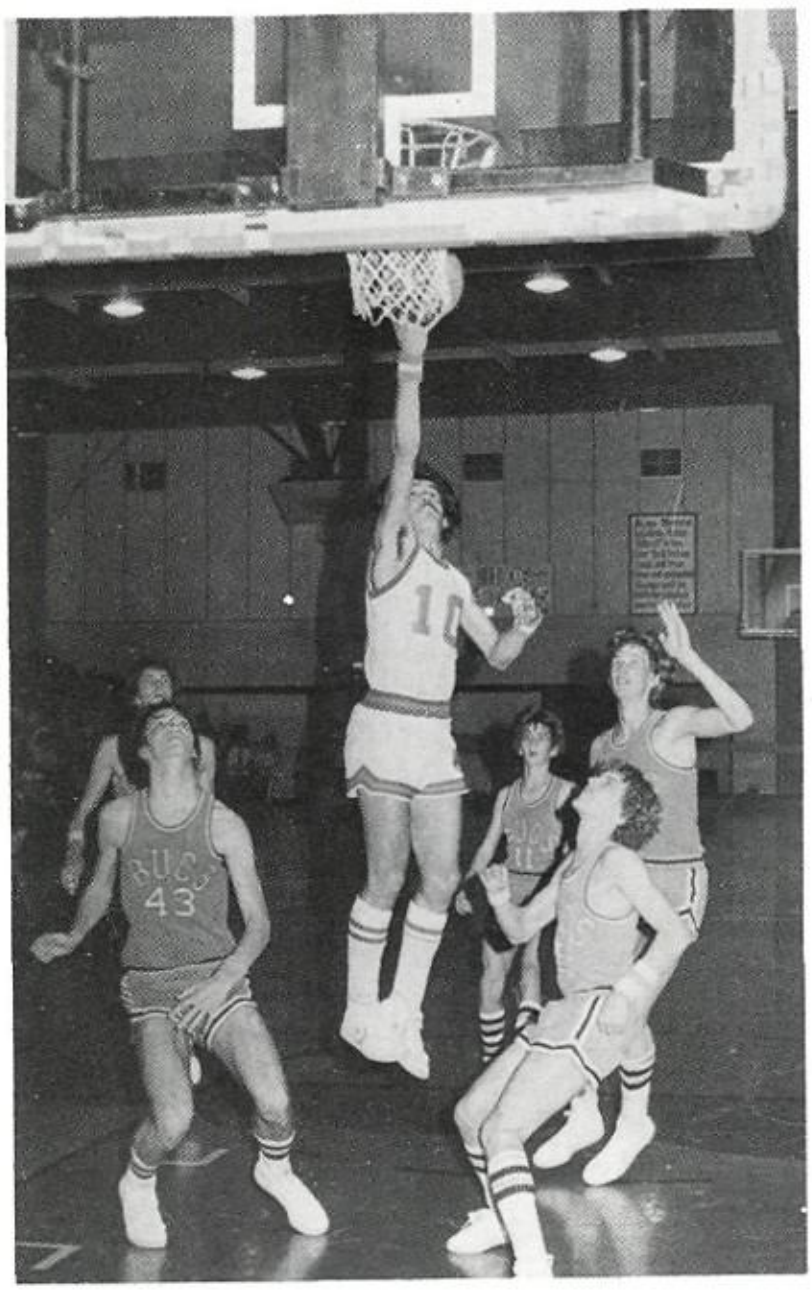
BASKETBALL

"Gee, I know it's up here somewhere", exclaims Gary Orsak.

VARSITY BASKETBALL

The Yellowjacket Varsity Basketball team set a new AHS record with eleven district wins and only three losses. The guys, for the third straight year, established 20 wins over the entire season.

The Jackets exploded into the season with a 70-59 over LaPorte. In the next 20 games, the Jackets fire power seemed to be dampened, though, because they only came out with eight victories. Alvin's 61-43 trouncing of Pearland reignited the flame and blasted the Varsity to ten wins out of 12 games.



Diego Gutierrez lays up two for the Jackets.

HOOP TIME

Yellow Jacket Sophomores played to a respectable 15-13 record for the 1979-80 basketball season. Alvin consistently made over 40 points per ball game. part of this can be credited to the shooting of Troy McReynolds with an unofficial 374 total points for the year.

Team members are: Bret Tyler, Troy McReynolds, Todd Keishner, Barth Hebert, Jeff Jeff St. John, Keith Collins, Jerry Anderson, Mark Armstrong, Darrell Clark, Richard Leadon, Kelly Cobb, Chris Hooker, Ben Shaffer.

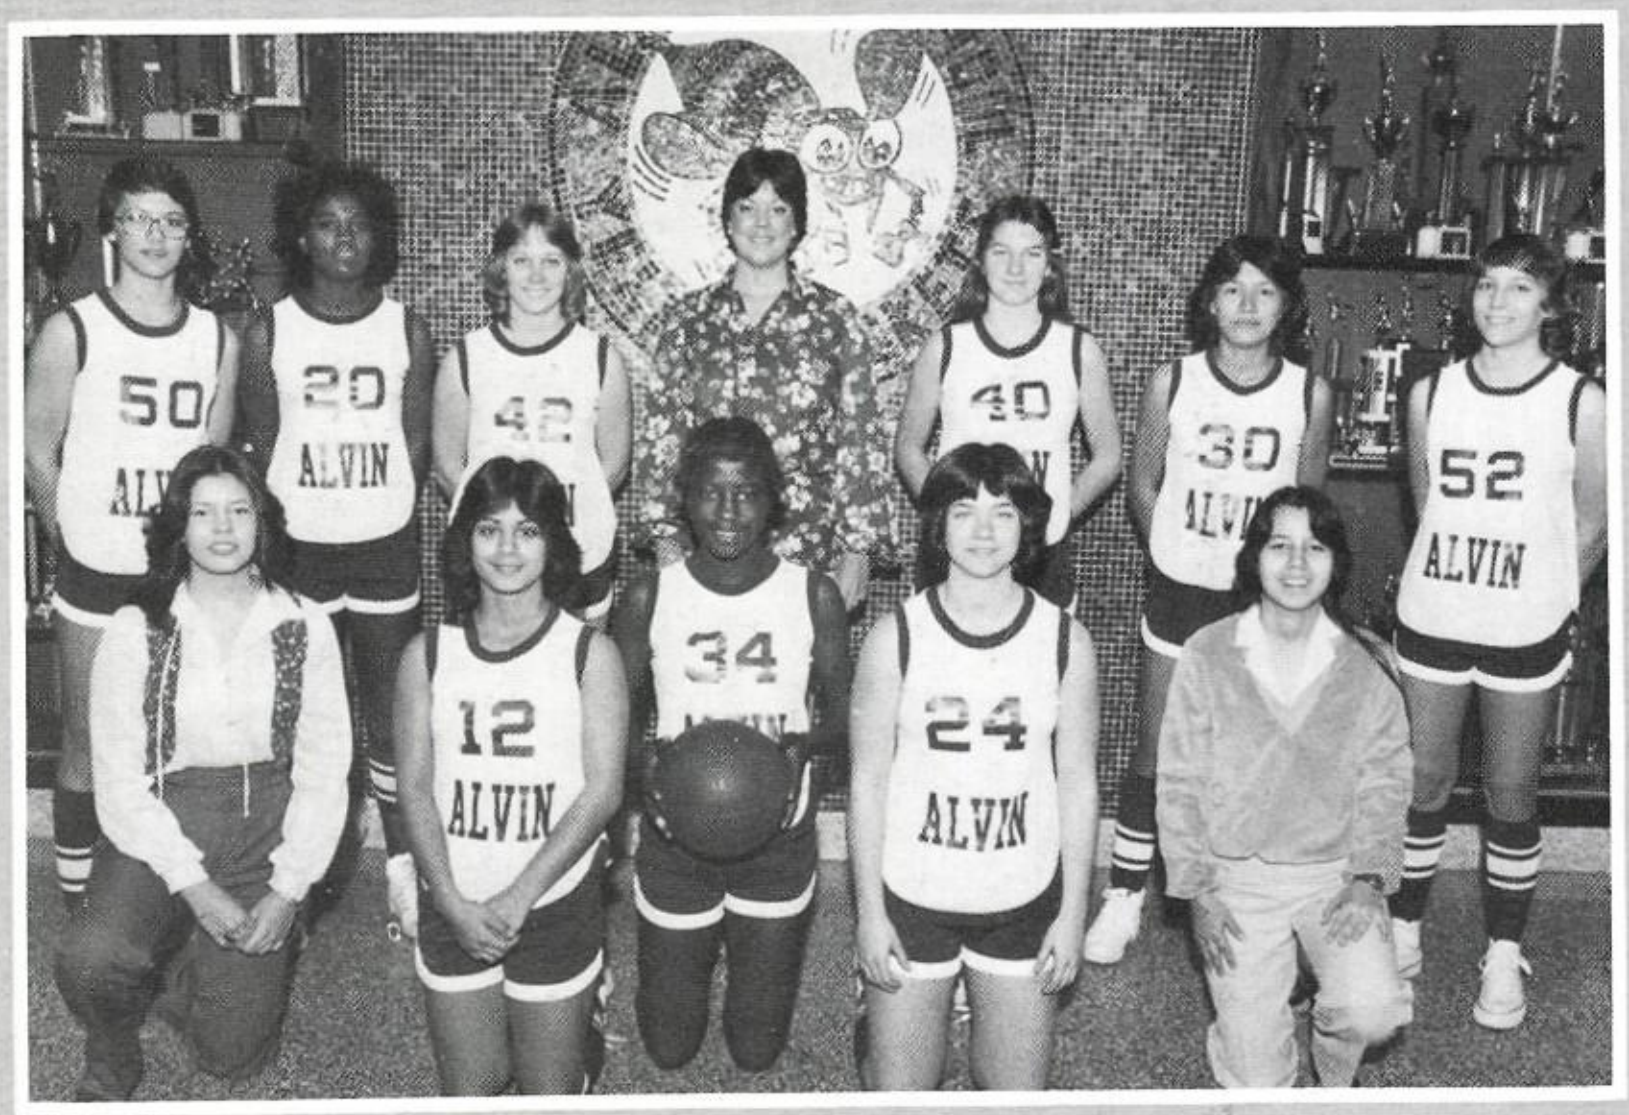
WE AIN'T DEAD YET



79-80 Varsity Girl's Basketball Team 1st row (l to r) Kathy Orlosky, Sonia Torres, Lynette Archie, Gay McNutt, Marilyn Navarro. 2nd row Sheila Olsovsky, Cassandra Woodson, Jodi Meyer, Coach Freida Scarborough, Susie "BOB" Talbert, Monica Martinez, Sophie Wimberly.

The Girls Basketball team held their own this season with a 13-13 record.

The team is relatively young and unseasoned; they lost only one member, Jodi Meyer.

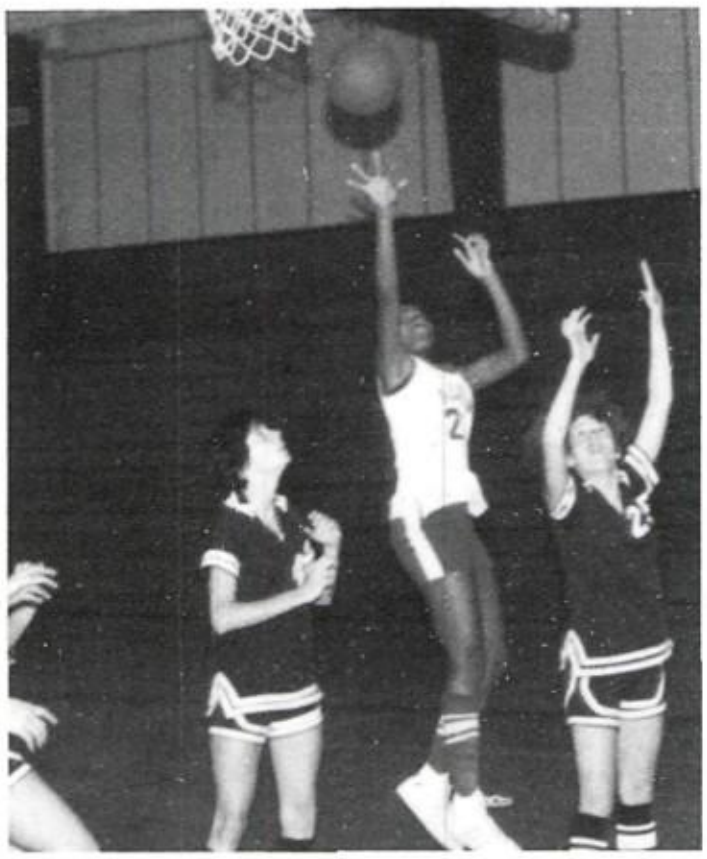
Though statistics don't seem to show it, the team came away with several honors: Gay McNutt made 1st team All-District, All Greater Houston. Lynette Archie was 2nd team All-District, Cassandra Woodson was honorable mention All-District.

The Alvin-Pearland game was particularly exciting because the ancient rivals went into overtime only to see Alvin lose by three points. Another exciting game was the Alvin-Dulles game which went into five overtimes, with Alvin being victorious.

Coach Freida Scarborough sums up the season in her own Aggie inimitable way by saying, "We ain't dead yet."

With this attitude and the stronger, more experienced players the girls plan to turn the tables on Pearland next year. It will be a new district overall and a new slate to slaughter.

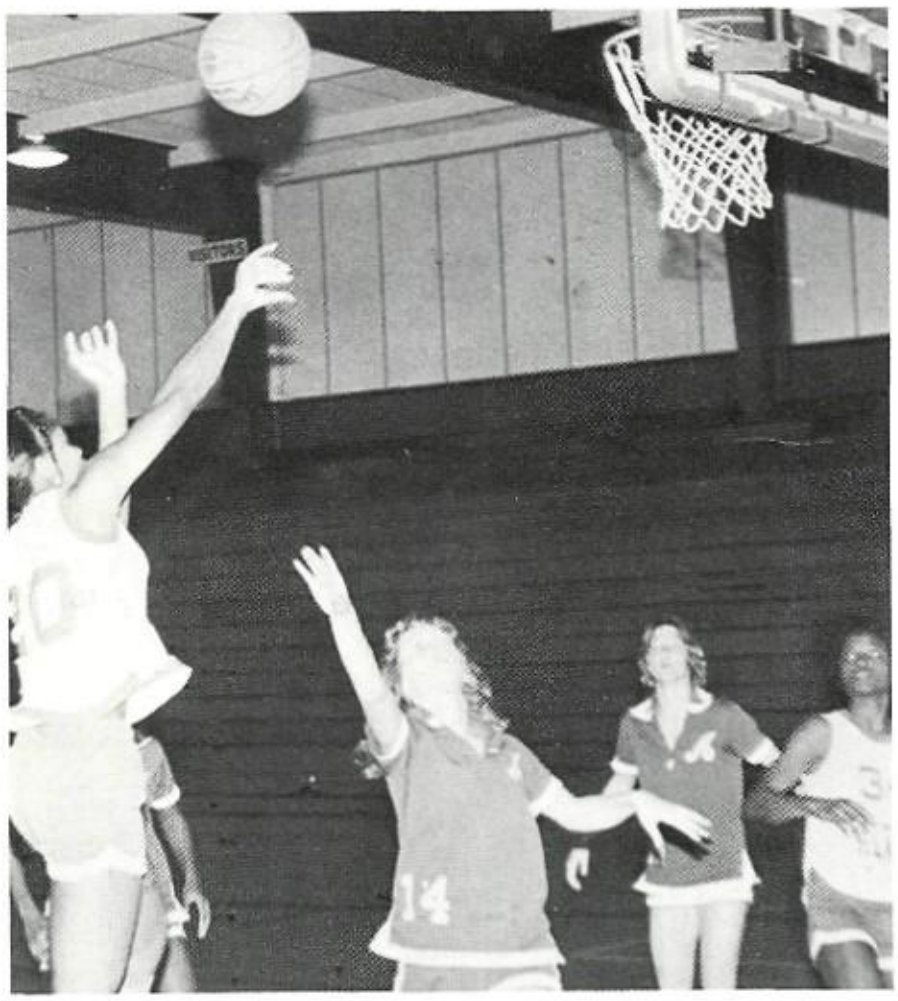
Gay McNutt shoots high over Pearland's defense.



Cassandra Woodson goes for two.

Marilyn Navarro recieves a special award from her teammates.

Sonia Torres exclaims, "It's too high, I can't reach it."



Cassandra scores two for the Jackets.

Alvin ended it's 1979-1980 record, splitting both halves of the season 4-3. They beat Galveston and Dickinson twice, split games with Angleton, Pearland, Dulles and Texas City, and lost both times to LaMarque. Although they did not take district the Yellowjackets took second place in the Clear Lake Tournament, and a third in their own.

The Baseball Banquet was held on May 7 in the Sub Cafeteria and was catered by Joe's BB-Q. Jeff Peltier and Johnny "Zap" Zamarippa received first-Team All District Honors. Lynn Hitt and Jimbo VannNess took second team All-District, while Kyle Channing received Honorable Mention.

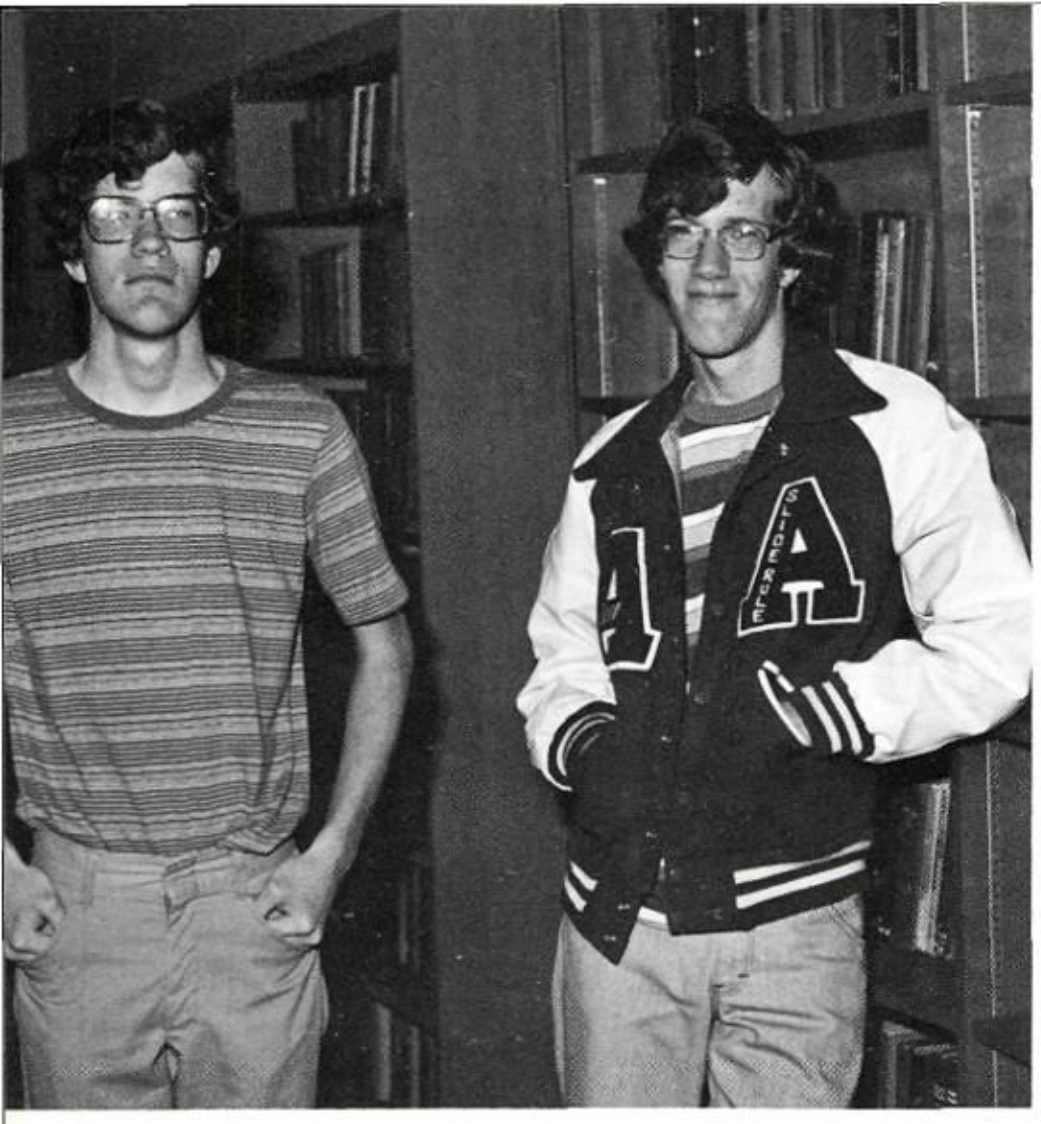
TO A '10'



The Outstanding English Students for the 1979-80 school year are Jonathon and Jeff Sadow. They were also winners of the NCTE award. Jonathon and Jeff worked very hard to receive the awards that they did. We are very proud of them!

The English department was kept very busy this year. The *Phoenix,* A.H.S. literary magazine, was published third quarter thanks to Mrs. Sawyer. The *Saltgrass,* was published thanks to Mrs. Josey.

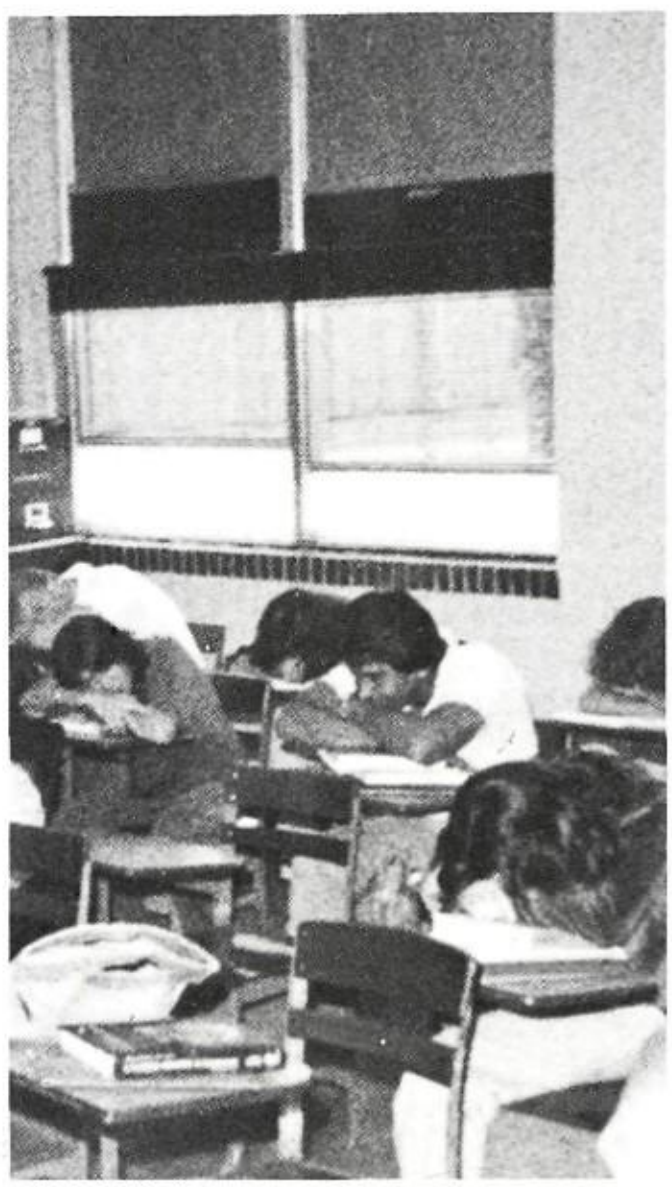
Many students prepared for competition in UIL Spelling and Ready Writing by participating in scrimmages. This helped them ready themselves for district competition.

Mrs. Andrews English II class wrote a version of *Julius Caesar.* English I classes studied Mythology during third quarter. They enjoyed this unit very much.

The Alvin High School requires a student to take twelve quarters of English. David Balkum won the English award. This award is given a concensus of the English teachers.

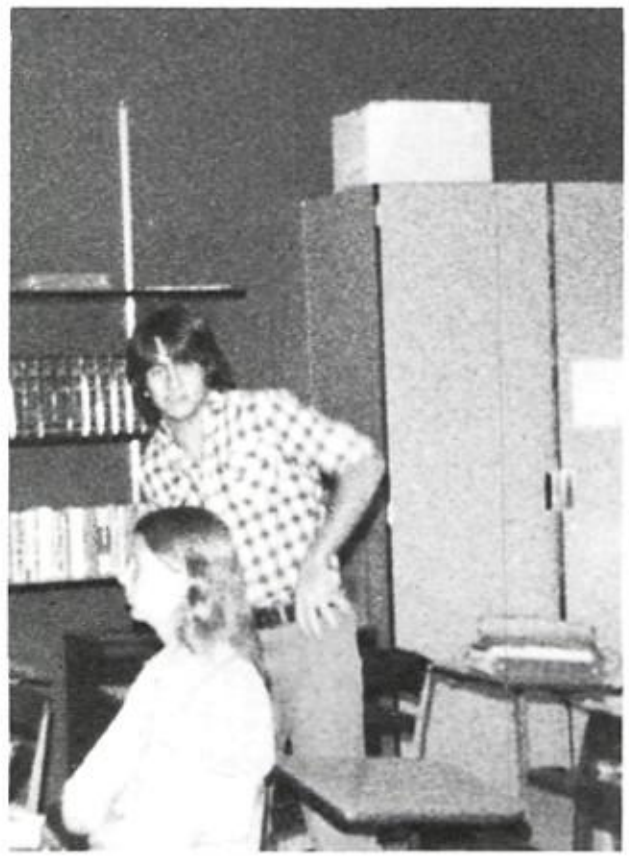
DOUBLE ACHIEVEMENT IN ENG. DEPT.

Kevin Hudson shows Mrs. Wood how to teach class.



Hugo Valdez and Karen Crawford take time out for a nap in Mrs. Wood's class.

Duane Cole puts all his effort into doing his English.



Richard Rhoades doing his John Wayne impression for the class.

J. Henny works on homework while others take time for a quick nap before lunch.

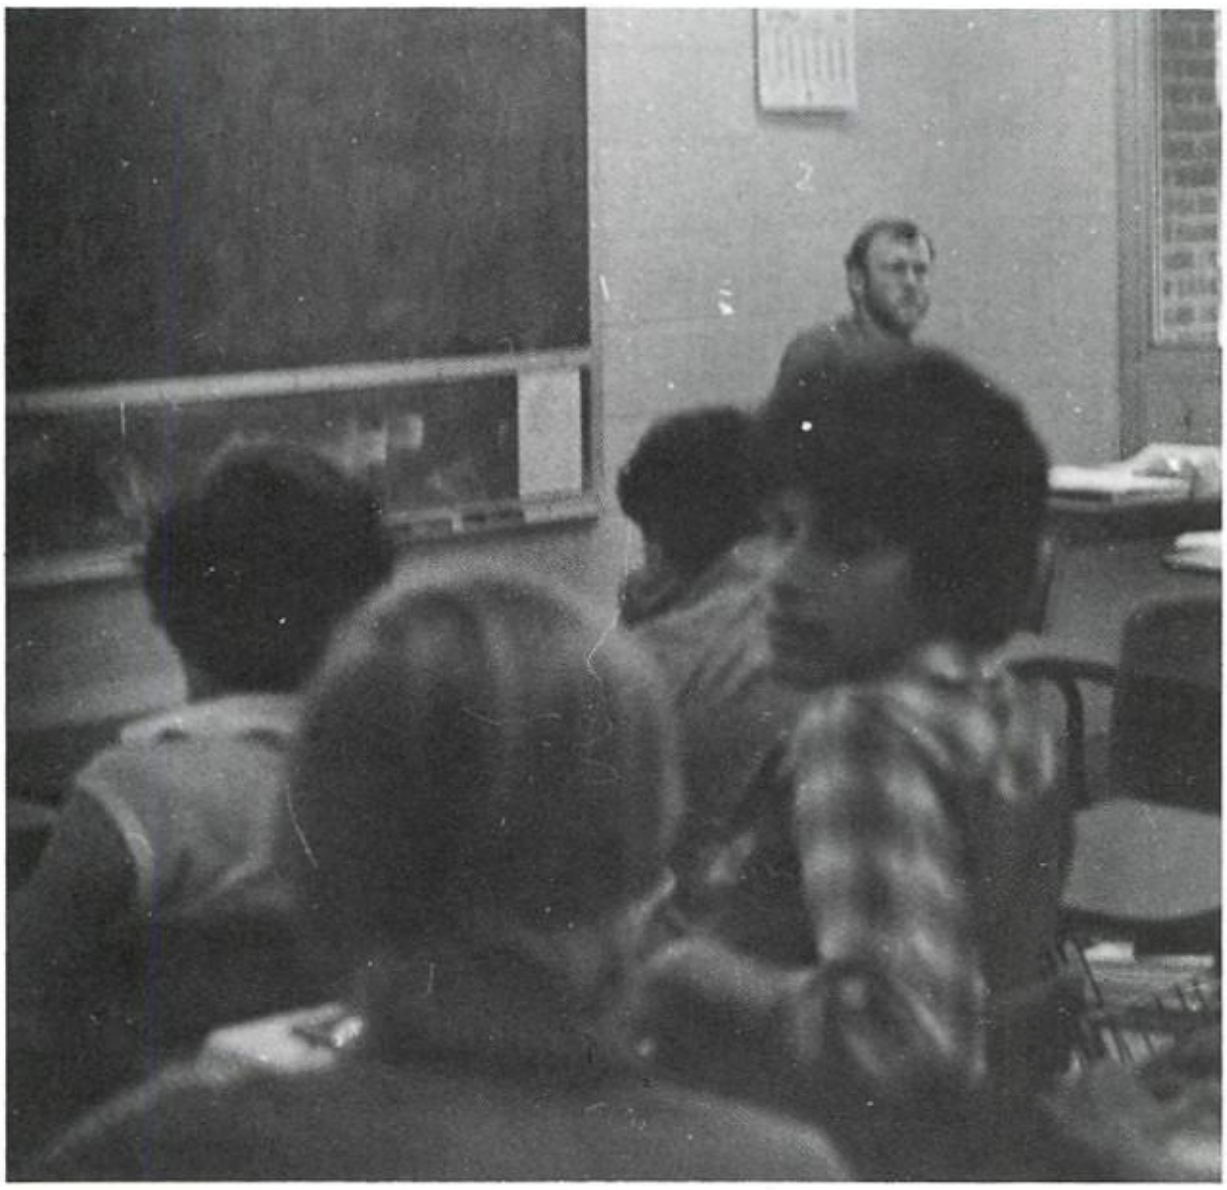
MATH HELPS STUDENTS

Outstanding Math students; (First row) Peggy Phillips, Celeste Schwartz, (second row) Coleen Wade, Cathy Collier, (third row) Clark Red, Ken Lipscomb, Jeff Sadow and Jan Sadow

The Alvin Math Department is one of the finest in this area. It not only helps students in college but prepares for future vocations after school.

Courses offered include F.O.M. I and II, Intro. to Algebra I and II, Algebra I and II, Geometry, Trig., Elementary Analysis, Calculus, Computer Math, and many other courses.

PLAN FOR THE FUTURE



"Did you hear about . . ." says Mr. Jones

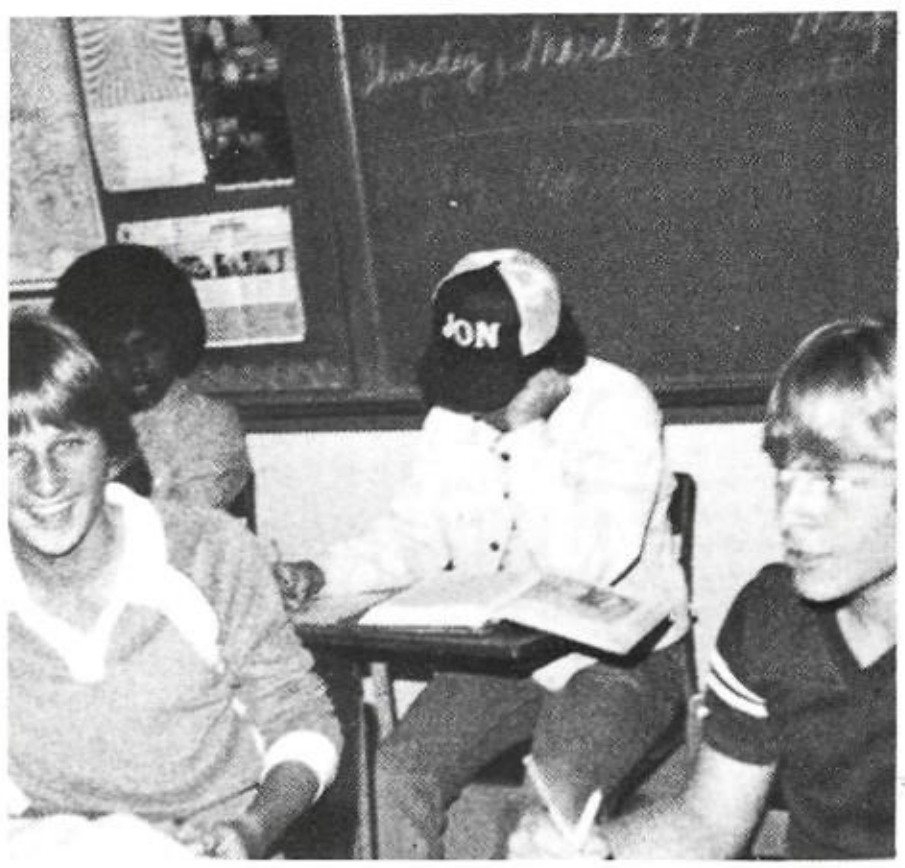
Another exciting day in Algebra. "Pick your nose," says Evan Arrendall.

"Stick-em up," shouts Carol Raia.

SOCIAL STUDIES

The Outstanding Social Studies Students for the 1980 year are David Balkum, Terasa Cooley and Jeff Sadow.

Tim Manry using his tough guy look to impress others in Mrs. Bussard's class.



Jon Simpson works diligently while others clown for the camera.

OPENS NEW FIELDS

"I didn't do it, honest I didn't" exclaims Joey Wedemeir.

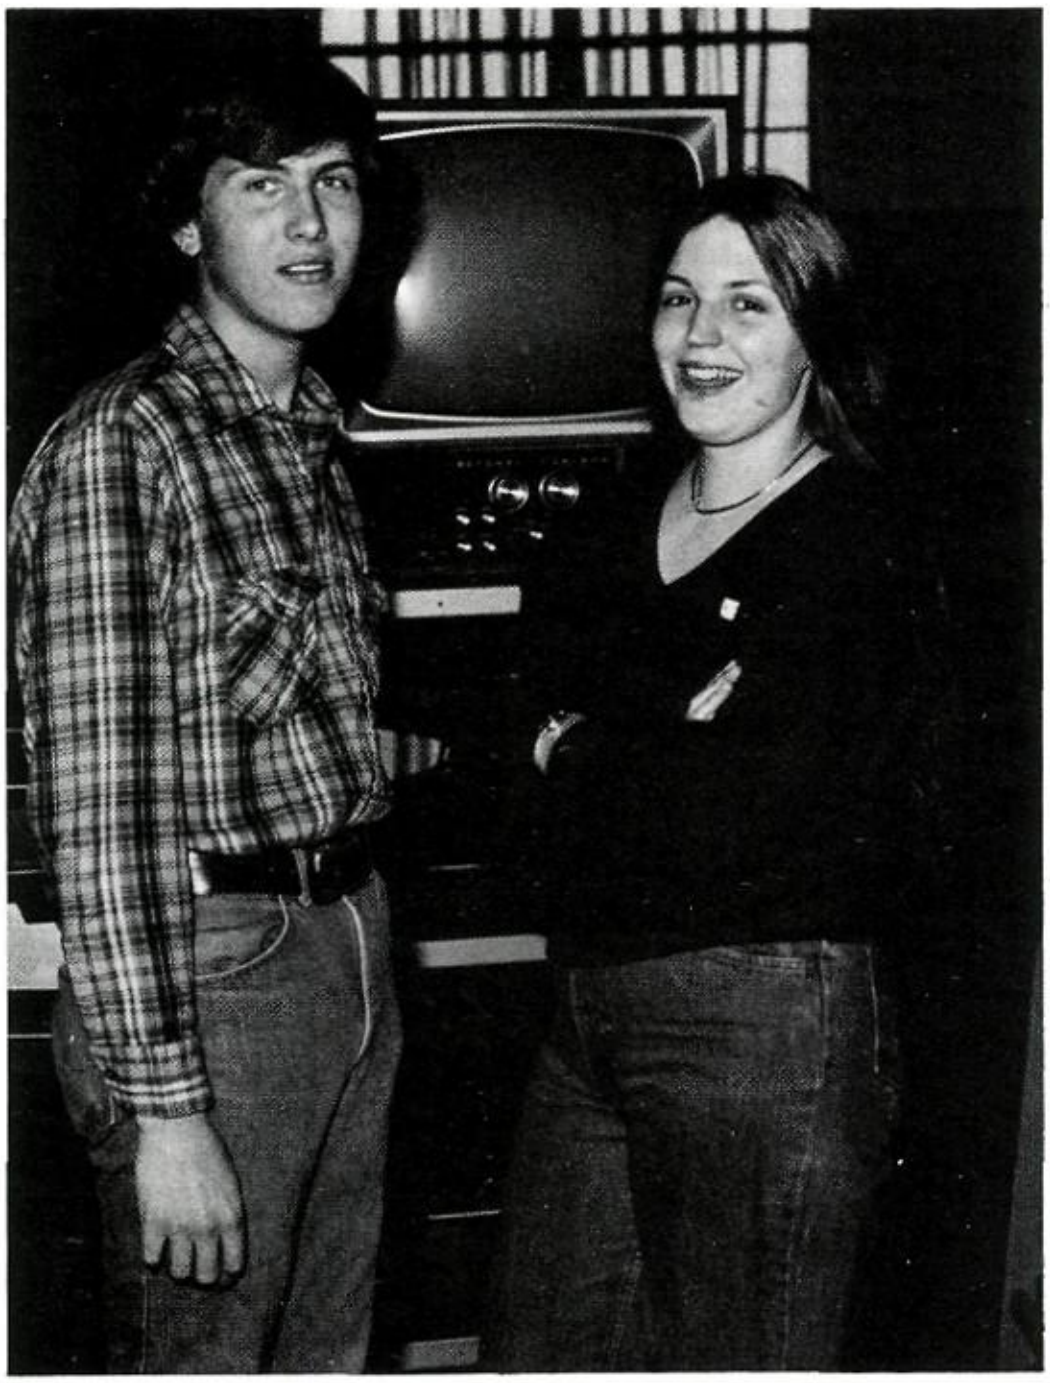
Cheryl Phillips reading a very secretive love letter during world geography.

The outstanding social studies students were chosen on the basis of their contributions to their respective social studies classes. Their leadership and participation have been a definite asset to the social studies department.

The Social studies department took part in many activities both locally and nationally. In January over twenty students took part in the National Close-Up program. This event took place in Washington, D.C. In March civic classes in cooperation with the Alvin City Council held "Student Government Day" where many students were elected to various city offices. These lucky students "ran" Alvin City Government for a day.

Social Studies is an important subject to all students. They learn many important things.

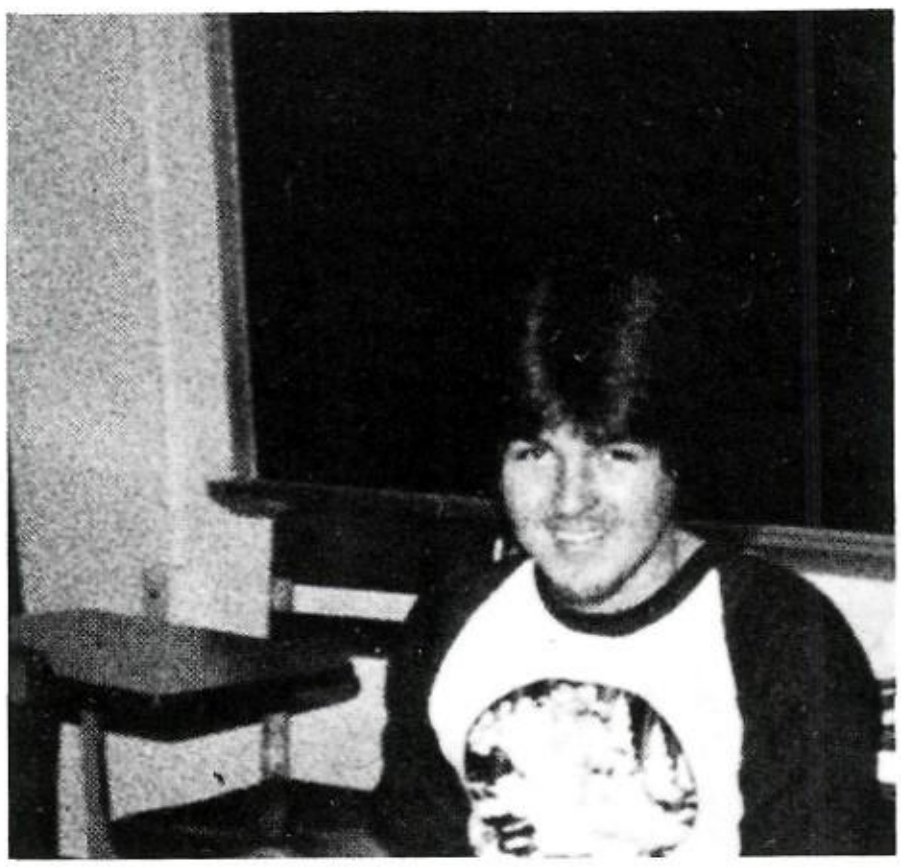
SCIENTISTS TAKE A



The Outstanding Biology students for the 1979-80 year are Denise Miekel and Stephen Liverman.

The science department at A.H.S. is continually improving. Alvin offers advanced courses for those students who are sincerely interested or who are seriously considering the field of science as an occupation.

A variety of science classes are offered at A.H.S., such as biology, chemistry, marine science, physiology, and a number of others. Alvin High School requires six quarters of science.



Jack Sullivan gives a big smile to show that he took the crest test.

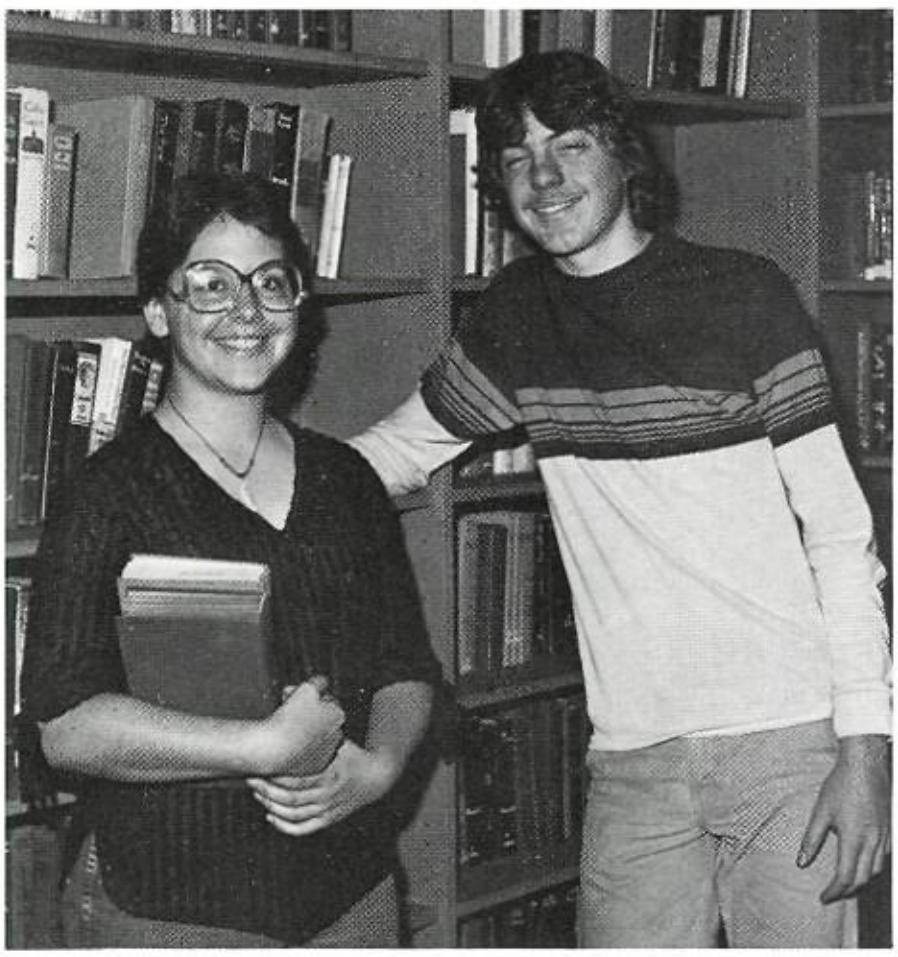
Outstanding Spanish Student, Kevin Redding



Outstanding French Students, Celeste Schwartz and David Hager

Outstanding German Student, Steve Manning.

LEARN THROUGH EXPERIENCE

French students "hard" at work.

"But the guillotine won't cut off the Barbi dolls head"

French

French students increased their understanding of the French language and the people through a variety of activities. In addition to regular conversational and grammar work, classes viewed a series of TV tapes in French depicting life in France as an exchange student comes to live with a French family.

For first hand experience they had a visitor from Paris early in the year who answered their questions, all in French as he did not speak English. Many students wrote to pen pals in France, forming their own new friendships.

French III and IV enjoyed reading novels and plays while French I and II completed cultural projects.

German

German class enjoyed a trip to Wurstfest in New Braunfels in October. They furthered knowledge of Germany by taking an imaginary trip to Germany through slides and films. In February there was a trip to Houston to see "The Polidors", a mini-festival of language, music, and dance, while in April the class enjoyed a breakfast of German foods for Easter. Other holiday observances included Christmas customs and carols in German and Fasching, the German Mardi Gras.

Spanish

Spanish students learned Christmas carols in Spanish and learned about Hispanic Christmas customs. Spanish I students made illustrated dictionaries to increase their knowledge of everyday vocabulary in areas such as the house, food, animals, and clothing. They also learned about Hispanic customs of dating, religion, city and country life, and sports and entertainments.

Spanish II students added to their cultural knowledge by studying each country where Spanish is spoken. They did projects on a country, an agricultural industry, or an Indian civilization of Latin America.

MUSIC

Outstanding Choir Students: (L-R) Jimmy Morrow, Beth Ellerbrock, and Kyle Hargrove

The Music Department requires the most dedication of all A.H.S. Students start training in the sixth grade and continue through High School. Students can take their skills to many contests, such as U.I.L. Solo and Ensemble, and also District Region, Area, and State Choir and Band competition. This year's Outstanding students, Elaine Griffin, Beth Ellerbrock, Kyle Hargrove, and Jimmy Morrow. All received All-State.

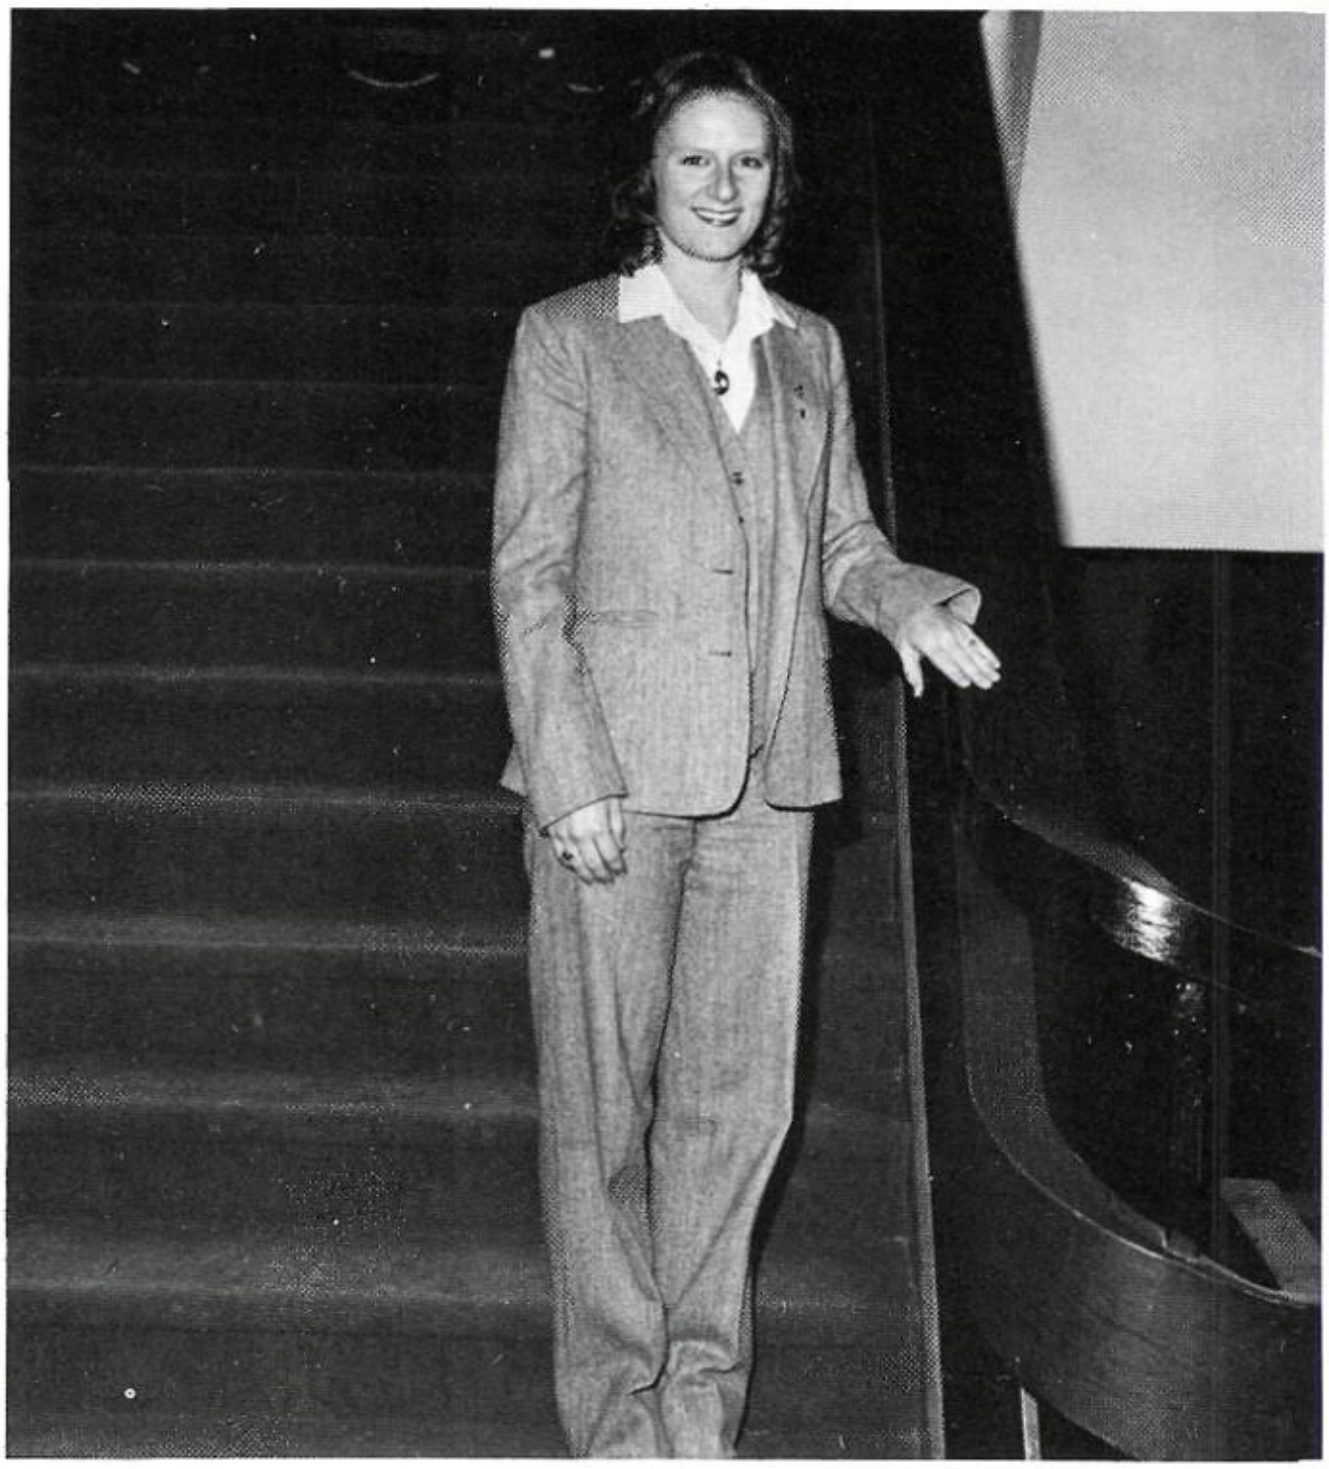
BUSINESS



Outstanding Business Student; Kim Wynne

The Business department offers a variety of courses such as Accounting I and II, Typing I and II, Typing for Personal Use, Shorthand I and II, Bookkeeping, Business Law, and V.O.E. I and II which is offered through the Vocational Program.

The Outstanding Business student for this year was Kim Wynne. She was selected because she maintained at least a "B" average or higher, while taking at least four business courses in High School.

OFFERS VARIETY

"Let's see 2+2= . . .", thinks Jr. Neal Stanton

"Gosh, only six more days to the next issue of *Playgirl*" thinks Sr. Gwyn Stone

"On my God, there's a bug on my paper!" says Jr. Debbie Cade.

JOURNALISM

The Journalism Department of A.H.S. offers a variety of courses. These include Annual I, II, and III in which the Yellowjacket is put out. This year these three classes combined into one. Throughout the year, annual students had to meet deadlines, crop and develop pictures, write copy, and come out with this year's yearbook.

Journalism is also taught at Alvin. This class studies Journalism techniques and put out the Clarion. This year they also wrote and gave out Pal-O-Grams. At the end of the year they participated in U.I.L. competition. Debbie Deggs advanced to state by taking a first at region competition in feature writing.

Outstanding Annual students: (L-R) Steven Nix, Cathy Collier, Laura Rossi, and Marilyn Navarro

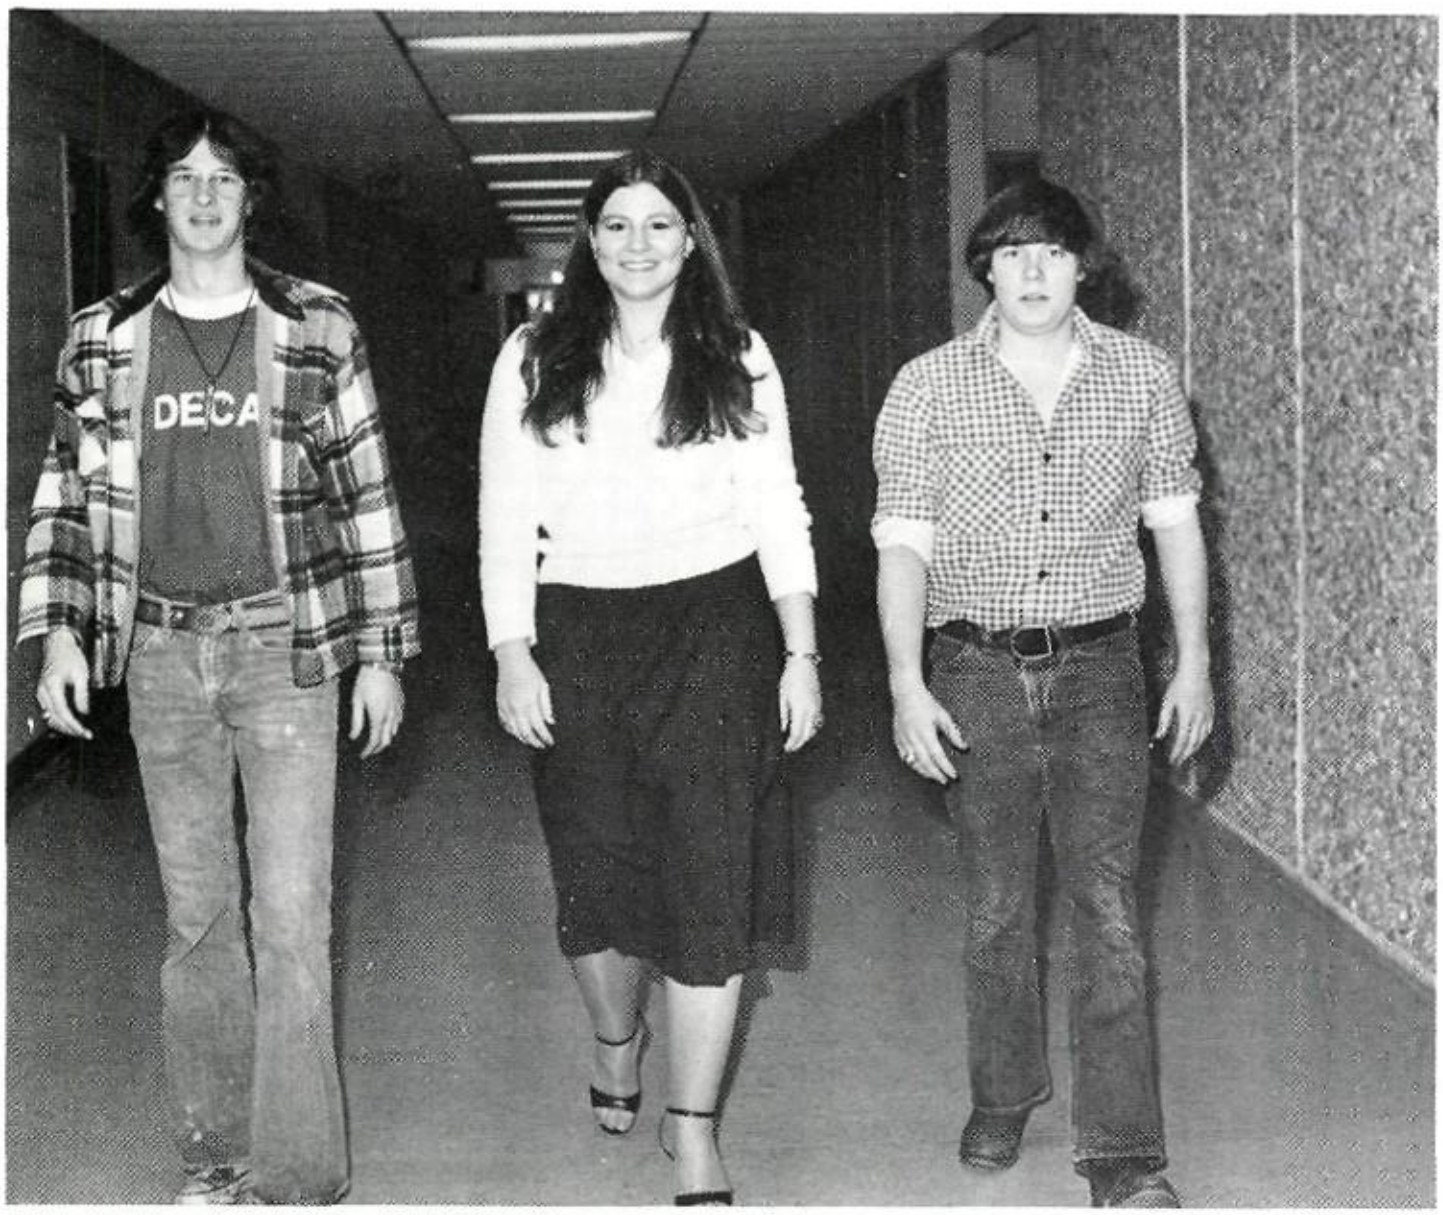
Outstanding Journalism Students: (bottom L-R) Mike Sterken, Angela Icampo (top L-R) Patty Armstrong, Lynda Long, Laurel Fain, and Debbie Deggs

D.E. AND I.C.T. WORK AWAY

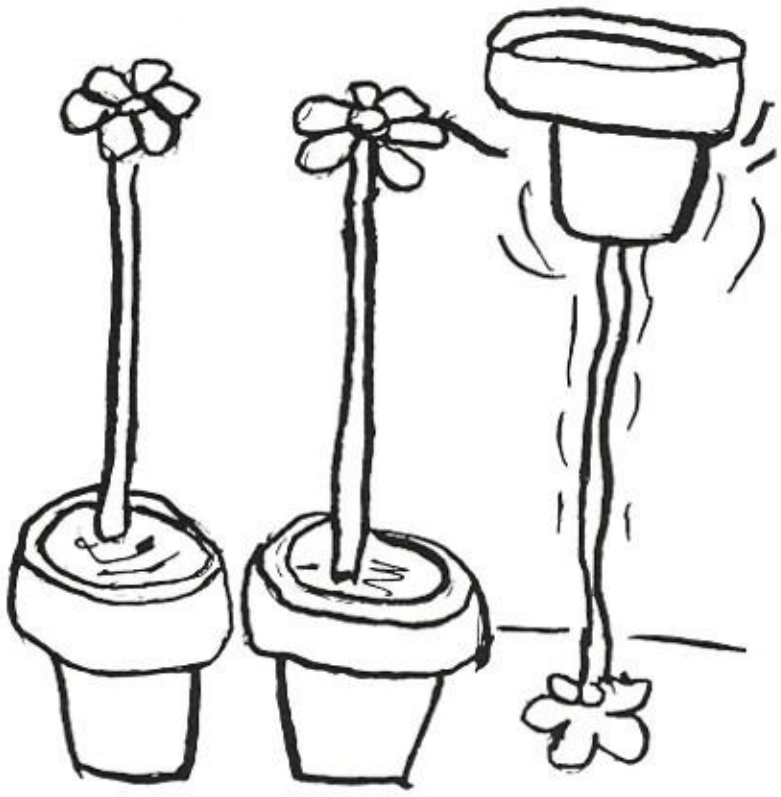


The outstanding D.E. students for the 1979-80 year are Tracey Huggins and Lisa Gourley. The outstanding I.C.T. student for the year was Lowell Matheny.

D.E. stands for Distributive Education. It involves students who work half a day and go to school the other half. In DECA they learn many things about the trade they are interested in. This year students were involved in district and state competition. They put forth their best effort at competition. Mrs. Orrell, Mrs. Spiller, and Mrs. Skidmore are the sponsors.

ICT stands for Industrial Cooperative Training. These students were also involved in competition third quarter.

ICT and D.E. are working situations in which the students have to concentrate very much. These programs are very beneficial to the students at A.H.S. They give the students a chance to gain responsibility.



Non-Conformity

COSMETOLOGISTS CUT UP!

Verlisha Harris was chosen outstanding cosmetology student for the 1979-80 school year. She is a senior and has put a tremendous amount of time and effort into her work. The cosmetology girls need to have patience to be able to work at learning everything that concerns cosmetology. They are appreciated by many students who get their work done in the cosmetology room.

Cosmetology is a rewarding career. It gives the girls a chance to learn a trade while in high school. It also gives them a chance to gain a lot of experience. They meet new people and learn the latest hair styles. They also get a chance to compete in district and state competitions.

The cosmetology course is three hours long. To complete the first year they must have five-hundred hours. By the second year it must be 1,000 hours.

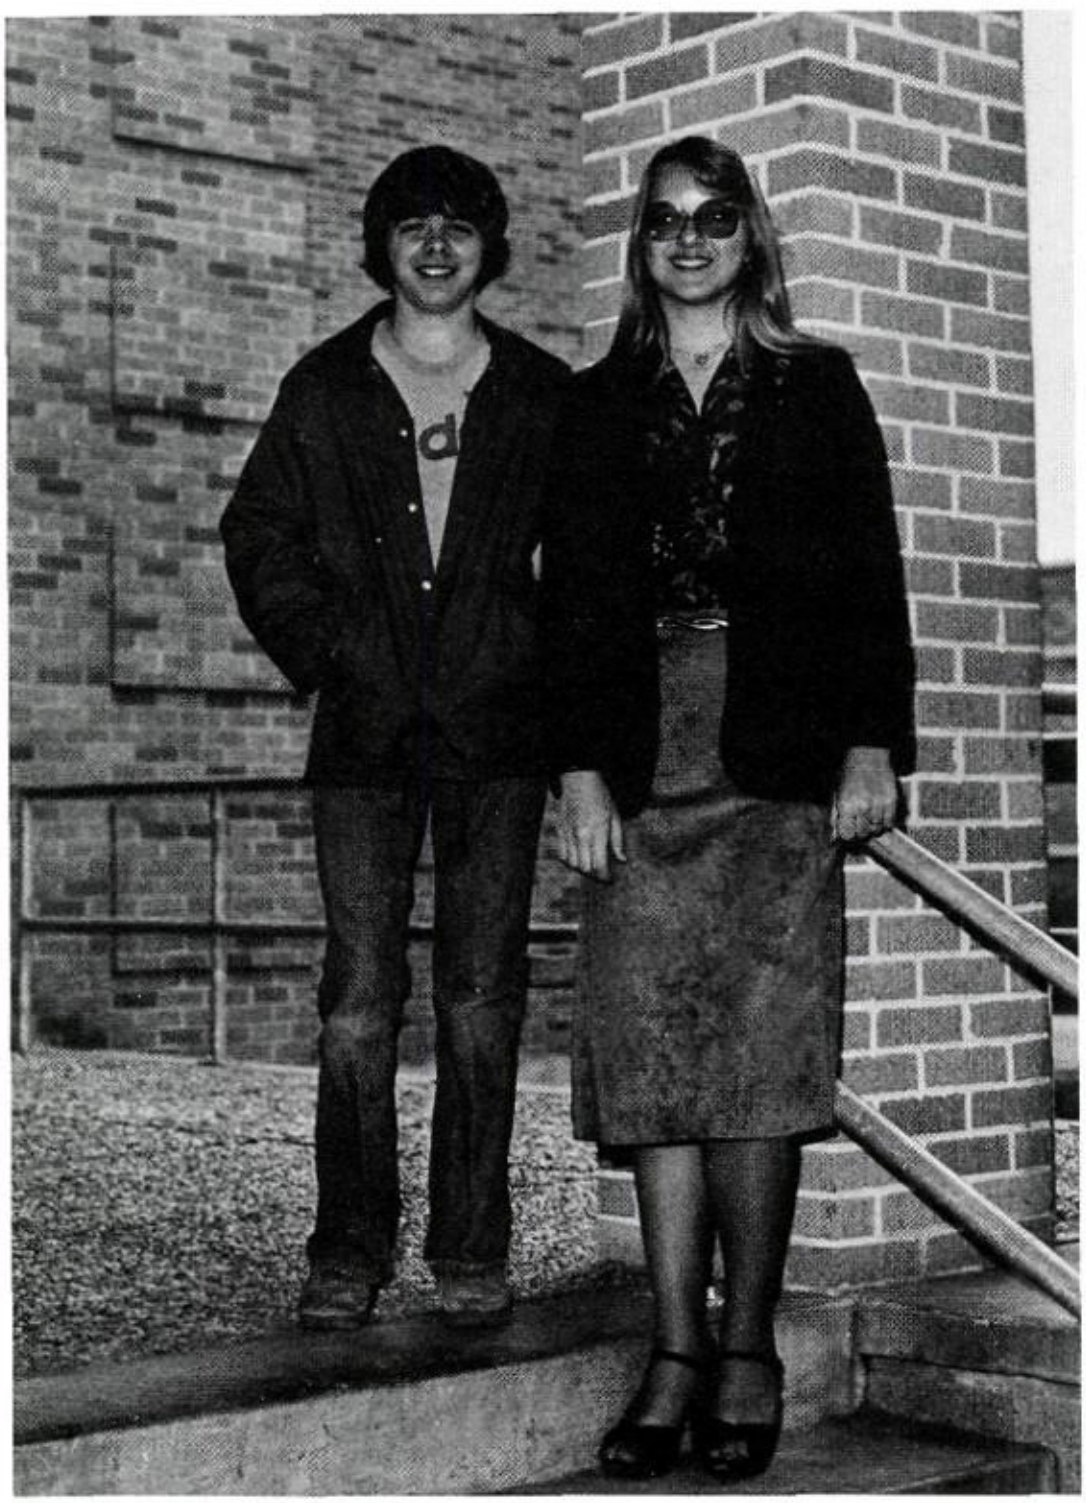
DRAMA "PLAYS" HARD

The Outstanding drama students earned these titles by showing excellent ability in drama. They worked very hard and long to achieve these awards.

Mrs. Gressett guided them throughout the year to help them in many tournaments and other contests. She puts a lot of her time into helping these students that have the ability to act.

Drama gives the students a chance to show their emotions in plays, or other skits that they participate in. The students have to be dedicated to their work because it takes much time to learn the lines and to keep trying until they get the role played perfectly, so that they will win at contests. Mrs. Gressett has done an excellent job this year.

Mrs. Gressett looks very enthused about her students.



Ricky Burford and Maggie Vanos.

P.E. PROVIDES WHOLESOME RECREATION

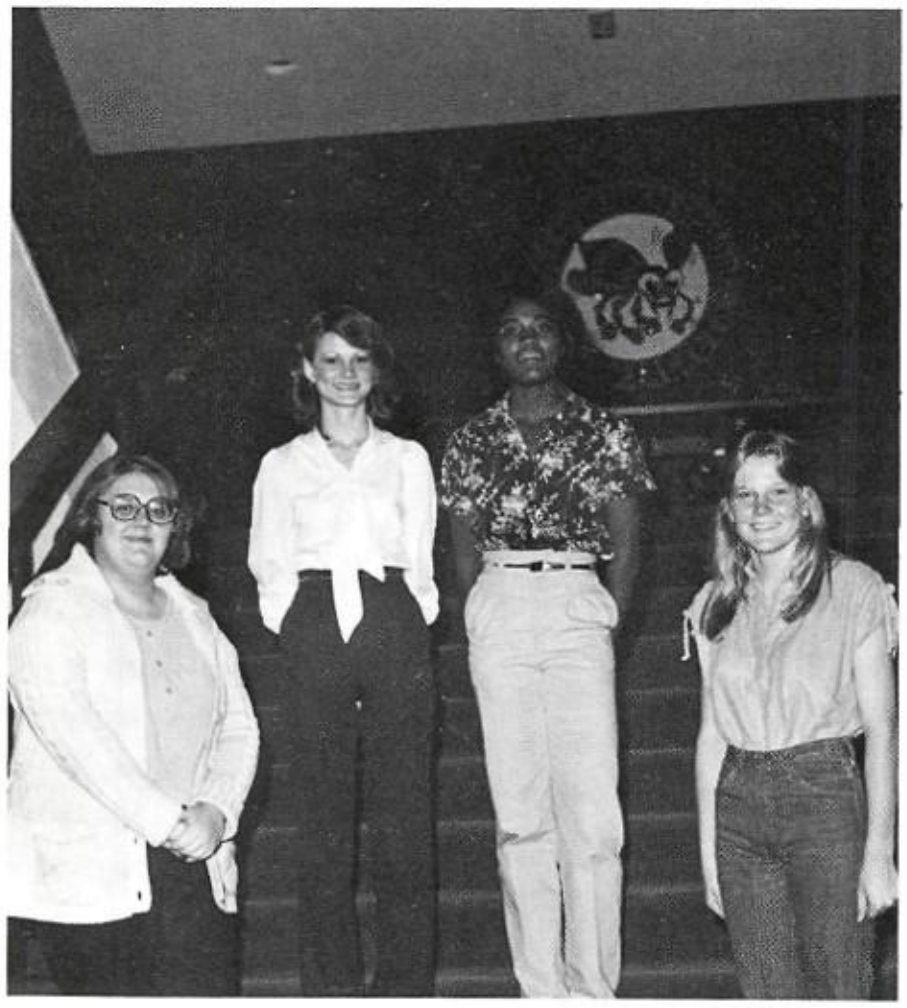
Miss Grisby gives another of her famous talks.

The Outstanding P.E. Students for the 1980 school year are Lindsay Sutton and (Not Pictured) Alan Dehlert. They were chosen for their outstanding accomplishments in physical education.

The Physical Education program has many objectives to it. Eleven courses are offered in the way of physical education at Alvin High School. Students have a choice of taking any three in one year. Students are required to have two years of physical education. Every quarter the courses change and the students get a chance to be in a different activity. The AHS P.E. teachers got together and they were the ones who came up with the objectives to make P.E. a more interesting course for the students. They wanted the students to look forward to taking P.E.

The teachers decided to develop motor skills, and develop pride in a healthy body, develop a good attitude about physical and mental health. They also wanted the students to develop safety skills, to provide situations where each student feels a sense of achievement through their own efforts, and acquire desirable social standards and ethical concepts. The teachers also wanted the students to enjoy wholesome recreation. P.E. gives the students a chance to get some exercise during the day and to let out their extra energy.

STUDENTS DEVELOP ART APPRECIATION



The Outstanding Art students for the 1980 school year are Kathy Rawlings, Pam Higgins, Cassandra Woodson and Mary Roller. Kathy was winner of "Best Show" in the Houston Livestock Art Show. Mary won a gold medal in the Livestock Show. These students put forth much time and effort to achieve these awards. Mrs. Harris teaches many different courses. She does a variety of things in her classes. Some of these courses deal with three dimensional work such as sculpture and textiles. Ceramics and copper enameling are included also.

The many possible techniques of the uses of material are taught. An introduction to the principles of design and the elements of art are two important aspects of art.

The teacher tries to acquaint the students with these aspects. The quarter system allowed the teacher much more time to cover many different subjects.

Some objectives for the students are the special blocks of knowledge of art, to stimulate creative sensibilities, and an appreciation of the field along with ways to use one's spare time.

Southern Texas Scholastic Art awards program in 1980 had 3,406 entries from 30 county area of competition. Only 250 pieces of art are judged to qualify for regionals.

Cassandra Woodson was a Gold Key finalist, a Blue Ribbon finalist and thus a national qualifier. She will show her work in New York at the Union Carbide Exhibition Hall on June 5-25.

VOCATIONAL PUTS IT TOGETHER

Pat Rameriz models for the class and shows the new toy.

The Outstanding Vocational students are (l to r) Alan Woytek, Ron Dietrich, Jimmy Leflet, Billy Bryan, Pat Rameriz, Beto Rameriz, and Mike Woytek.

Alvin High School's objective in offering a career education program is to prepare young people to live a productive and rewarding life. Vocational courses increase the relevance of school and enable persons who complete high school to obtain immediate employment or go on to further their knowledge in a certain field.

A.H.S. offers many vocational courses. Some of them are metal trades, building trades, auto mechanics, Cosmetology, data processing, and many others. Many students take co-op classes such as DECA or OEA.

The vocational courses helps the students gain responsibility and learn to deal with people throughout their work. It gives the students a chance to start learning a trade before they graduate.

The vocational program keeps the students involved in something. The students in the vocational programs are kept much busier than a lot of students who only take the required classes that they have to take. The vocational students enjoy the classes they are taking because it is something that interests them. Most of the vocational classes are three hours long and most combine first and second year students.

VOCATIONAL WORKS

First Row-(L-R): Pam Baker-V.O.E., Linda Lewis-H.E.C.E., Sharon Sudderth-Homemaking. Second Row (L-R): Robin Shaw-Drafting. Danette Busha-V.O.E. II. Margot Goff-Data Pros., Barry W. Andrews-V.E.H.

The vocational program of Alvin High School provides the students with the opportunity of career training in High School.

The students learn their skills in one of two ways, in a lab where they see and then do, or on on the job training. The program also gives the student a reason to stay in high school

The outstanding students were chosen because of their exceptional progress in their respective courses.

Vocational classes show enthusiasm.

WITH PRIDE

We've all made friends during our years at A.H.S., so we thought we'd dedicate a page to the most important people in our lives!

A FRIEND'S GREETING

I'd like to be the sort of friend that you have been to me;
I'd like to be the help that you've been always glad to be;
I'd like to mean as much to you each minute of the day
As you have meant, old friend of mine, to me along the way.

I'd like to do the big things and the splendid things for you,
To brush the gray from out your skies and leave them only blue;
I'd like to say the kindly things that I so oft have heard,
And feel that I could rouse your soul the way that mine you've stirred.

I'd like to give you back the joy that you have given me,
Yet that were wishing you a need I hope will never be;
I'd like to make you feel as rich as I, who travel on
Undaunted in the darkest hours with you to lean upon.

I'm wishing at this Christmas time that I could but repay
A portion of the gladness that you've strewn along my way;
And could I have one wish this year, this only would it be;
I'd like to be the sort of friend that you have been to me.

Edgar A. Guest

1980. The year we travelled into a new decade. It was a year full of both triumphs and disasters for everyone involved in the yearbook-making process. We learned to ride them out, though, and, somewhere in the process, we compiled a yearbook to capture the memories.

The 1980 "Yellowjacket" staff extends its deepest gratitude to everyone who helped make this a most cherished yearbook and a most memorable year. To everyone at A.H.S., we extend our best wishes for happy years ahead.

Sincerely,
Cathy Collier - editor,
Billye Harvey - sponsor, and the entire
1980 YELLOWJACKET staff.

FREDDIE SALINAS: A REAL MAN

FREDDIE SALINAS: a real man

The highest compliment man can make to man is to remember him. This page is dedicated to the memory of Freddie Salinas.

Freddie was a sophomore at Alvin High in the winter of '78 when he was stricken by the dread disease cancer. Though his body was weakened, his spirit was not; he was constant until the end, in his love and concern for his friends and his family.

It is this legacy of spirit and courage that Freddie left to his friends and family; they want to share him with you.

Dear Abby

I have a problem and its that I don't know what to write in a very good friend of mines year book. She is a very nice girl and very sweet. I also hope to see her next year and I've known her for a long time
